

**"DEAR CHILDREN!** I am looking at you and I see you **lost**; and you do not have prayer or joy in your heart. Return to prayer and **put God in the first place and not man**. Do not lose the hope which I am carrying to you. May this time, little children, **every day**, be a greater seeking of God in the silence of your heart; and **pray, pray, pray** until prayer becomes **joy** for you" (Med. 7/25/16).

**"PRAY DAILY FOR SOULS IN PURGATORY."** (MED. 11/6/86)

Wil concluded, "These compulsions account for inconceivable behavior in the physical dimension. This is the psychology of all evil acts, people keep repeating the only behavior they know that will numb the mind and keep away the anxiety that comes from the **lostness** they feel." Redfield asked, "Then there is no organized, conspiratorial evil in the world, no satanic plot to which we fall prey?" Wil concluded, "None, there is only human **Fear** and the bizarre ways we try to ward it off. Scripture must be only a metaphor, warning people to look to the divine for **security**."

Redfield said, "When I was drawn into the illusionary town, I felt I had demonic possession." Wil replied, "You were drawn in because you gave yourself over to them by opening up and connecting to them. You **trusted** in them as if they had all the answers, **without reflecting** to see if they were connected and motived by love. As communication between the two  dimensions increases, we'll begin to have more encounters with souls from the Afterlife. We must **discern** between souls who are awake and connected with the spirit of love and those who are **Fearful**, stuck in obsessive trances."

Wil continued, "Many souls choose to be born into **lost**, abusive, dysfunctional families, where **intense** violent and perverse control dramas have existed for generations. They believed they would not lose hope, but would carry enough love to end the cycle of **Fear** and heal the family. Liberal and conservative conclusions on dealing with violent and compulsive behaviors are superficial and mostly ineffective. We need to **intervene spiritually**, awakening them by doing as these souls are doing in the Afterlife, sending the energy of **love** and **prayer** to those **lost** in illusions. I am getting this information from the souls, but I still can't see the **World Vision** clearly to **remember** it. But at least we have another piece of the Tenth Insight."

Suddenly they felt the blast of the experiment. An image of Feyman, a man David said had something to do with the experiment, came to their minds as they moved into a grey area. A group of souls appeared. Wil cautioned, "Don't completely **trust** them. Just listen and find out who they are. Stay centered. They can't pull us in unless we act as though we want them to save us. Try to send them **love** and **energy**. It'll help them come close or make them run away." Redfield beamed them love energy and they moved away. "Why can't they accept the love and wake up?" he asked. "Because when they feel the energy raising their consciousness, their preoccupation lifts somewhat but doesn't fend off the anxiety of their **aloneness**. Coming into awareness and breaking free of a control drama feels anxious at first. Before the **inward solution** to the **lostness** can be found, the **safe** feeling of the compulsion has to lift.

**REMEMBER THE WORLD VISION:** JESUS TAUGHT US TO **REMEMBER HIM**, PERSEVERING THROUGH THE CENTURIES, BY GLORIFYING HIM IN THE **EUCHARIST**. TO INTERVENE SPIRITUALLY FOR THOSE LOST IN ILLUSIONS AND BRIDGE THE **POLARIZATION OF FEAR**, **REMEMBER OTHERS** IN PRAYER AND LOVE AS YOU RETURN TO JESUS IN THE **EUCHARIST**. THIS INTENSE ENERGY LIFTS UP THE **LOST**, BREAKING THEM FREE TO AWAKEN TO THE **JOY AND SAFETY OF TRUSTING GOD IN THE FIRST PLACE, NOT MAN!**

**HEAVENLY FATHER,**

I RETURN ANEW TO GLORIFY THE HEART OF YOUR SON, THE HEART OF FAITH—THE LIVING EUCHARIST! THANK YOU FOR THE GIFT OF HIM AND HIS MOTHER WITH US. GRANT ME GRACE TO RENUNCIATE THE DIFFICULT THINGS SO THAT MY SOUL MAY BE CLEAN. I **TRUST** IN YOUR SON TO DO FOR ME WHAT I DO NOT KNOW HOW TO ASK FOR.

Amen!

**MARY'S SPECIAL 35TH ANNIVERSARY MESSAGE:**  
**"PRAY! PRAY! PRAY!"** (MED. 6/25/16 ANNUAL)

God commanded Moses to build an Ark so that the gift of His real, living, divine presence could dwell with Israel. His presence was known as His Shekinah Glory!  
(Ex. 25/ xtra card)

In Judaism Shekinah is a feminine word, representing the feminine attributes of God's presence. The Ark contained the Old Covenant—the 10 commandments. Mary, our mother, is the Ark of the New Covenant, her womb contained the New Covenant of God—His divine Son Jesus.

**WHEN THE 7TH TRUMPET SOUNDED, GOD'S TEMPLE IN HEAVEN OPENED, AND THE ARK OF HIS COVENANT WAS SEEN. A GREAT SIGN APPEARED: A WOMAN, CLOTHED WITH THE SUN, WITH THE MOON UNDER HER FEET, AND A CROWN OF STARS, GAVE BIRTH TO A SON WHO WILL RULE ALL NATIONS. ANOTHER SIGN APPEARED: A HUGE RED DRAGON. THAT ANCIENT SERPENT, CALLED THE DEVIL OR SATAN, PURSUED THE WOMAN, BUT SHE FLEW TO SAFETY IN THE DESERT** (REV. 11, 12). 

**THE DRAGON, ENGAGED AT THE WOMAN, WENT OFF TO BATTLE AGAINST THE REST OF HER CHILDREN—THOSE WHO LIVE GOD'S COMMANDMENTS.**

**GOD'S GIFT: MARY, THE ARK OF THE NEW COVENANT, IS WITH US (CARDS 1, 15, 18, 31, 34, XTRA).**

**"DEAR CHILDREN!** Give thanks to God with me for the **gift** of my being with you. Pray, little children, and live God's commandments that it may be good for you on earth. Today, on this day of grace, I desire to give you my motherly blessing of peace and of my love. I intercede for you with my Son and call you to **PERSEVERE IN PRAYER** so that, with you, **I CAN REALIZE MY PLANS**. Thank you for having responded to my call" (Med. 6/25/16 monthly).

**HAIL MARY, FULL OF GRACE, THE LORD IS WITH THEE! BLESSED ART THOU AMONG WOMEN AND BLESSED IS THE FRUIT OF THY WOMB, JESUS. GRANT US SAFETY AND PEACE!**

**HOLY MARY, MOTHER OF THE LIVING EUCHARIST, PRAY FOR ME TO PERSEVERE IN PRAYER AND LIVE GOD'S COMMANDS SO THAT YOU CAN REALIZE YOUR PLANS FOR SAFETY ON EARTH! Amen!**

**THE SAFETY OF THE REAL, LIVING PRESENCE OF THE ARK OF THE NEW COVENANT IS AMONG US!**  
**Mary's Plan to Defeat Satan: Remember to Persevere in Prayer and the Eucharist!**

**“DEAR CHILDREN: My real, living presence among you** should make you happy because this is the great love of my Son. He is sending me among you so that, with a motherly love, I may grant you **safety**; and that you may comprehend that pain and joy, suffering and love, make your soul live **intensely**; and that **I may call you anew to glorify the Heart of Jesus, the heart of faith—the Eucharist.** From day to day through the centuries, my Son, **alive**, returns among you—He returns to you, though **He has never left you.** When one of you, my children, returns to Him, my motherly heart leaps with joy. **Therefore, my children, return to the Eucharist—to my Son!**

The way to my Son is difficult, full of **renunciations**, but at the **end**, there is always the light. I understand your pains and sufferings, and with motherly love I wipe your tears. **Trust in my Son** because He will do for you what you would not even know how to ask for. **You, my children, you should be concerned only for your soul because it is the only thing on earth that belongs to you. You will bring it, dirty of clean, before the Heavenly Father. Remember faith in the love of my Son will always be rewarded.** I implore you, in a special way, to pray for those whom my Son called to live according to Him and to love their flock. Thank you” (Med. 7/2/16 monthly).

***THE TENTH INSIGHT** by James Redfield takes place in a valley in the Appalachian mountains, where natural dimensional openings are located. Redfield was there looking for his missing friend Charlene when he met David Lone Eagle, who told him about the Tenth Insight and remembering the world Vision—a plan to unite Earth with the Afterlife dimension in love and prayer to fulfill human destiny. Redfield and his friend Wil traveled in the Afterlife through the openings to try to learn more about the World Plan and how to stop an experiment being conducted secretly in the valley. Someone was trying to tie into Earth's electromagnetic field through an opening, which could disrupt nine dimensions and disintegrate massive areas on Earth (Ch. 1-5/cards 53-56).*

*While in the Afterlife, as Wil watched, Redfield, surrounded by a holographic image, experienced the history of humanity and saw a **polarization** growing in America with each side thinking the other in league with the **devil** (Ch. 6/card 57). The following is abridged from chapter 7—**An Inner Hell**. Wil makes some erroneous conclusions that references in the Bible to Satan are only “metaphors” and there is no hell or satanic plot, based on unclear pieces of a puzzle. He states, “I still can't see the **World Vision** clearly,” and “we have another piece of the Tenth Insight.” Therefore, Our Lady's older messages are incorporated into the card to clarify our understanding of the nature and reality of Satan, purgatory, and hell.*

**AN INNER HELL!** After watching Redfield, surrounded by the holographic image, Wil concluded, “I don't think we can bring in the **World Vision** or resolve the **polarization of Fear** until we understand the real nature of evil and the reality of hell. Suddenly they found themselves in the middle of hell! “Have you been here before?” Redfield anxiously asked. “Only on the edge,” Wil replied. A swirling mass of energy moved toward them. Redfield, trying to raise his energy, connected to the souls, pulling him into an intense blackness and into an early 19th-century town. He was standing on a street corner, in the distance was a doomed-capitol building. Four well-dressed men on the opposite corner were staring at him. A man behind him said, “Anyone who has raised their ire is a friend of mine.” Redfield, turning, realized he was the commanding general he saw earlier in the 19th-century war in the valley (card 53).

**THE ARK WENT AMONG THE TROOPS OF ISRAEL, GRANTING THEM SAFETY IN BATTLE; THEY PERSEVERED WITHOUT FEAR, MAKING THEM HAPPY! (JOS. 3/ XTRA CARD)**

**“SATAN EXISTS! HE SEEKS ONLY TO DESTROY. HE INTERFERES WITH EVERYTHING. MANY PERSONS GO TO HELL; A MAJORITY TO PURGATORY.” (MED. 2/14-16/82, 1/10/83, CARD 14)**

He had refused to help Maya with her plan for peace and ordered the battle against the Native Americans after receiving money from the railroad and coal tycoons and newly emerging oil interest. They wanted to open up the area for economic expansion. A war was necessary for the plan of these power brokers and their political allies to be realized. The town was a re-creation of his life to avoid realizing he was dead. Redfield shouted, “This is not real! You're deceased!” Ignoring him, the general asked, “What did you do to piss off that bunch?” “Nothing!” Redfield replied. “You've done something. They think they can run this town and the whole world. They never **trust** fate (Jesus). They think they're responsible for seeing that the future turns out exactly as they plan. Everything! Economic development, governments, the flow of money, and the value of world currency. This is not a bad idea because the world is full of idiots, people have to be controlled. But they're treacherous, they wanted to use me and then throw me away. But I **protected** myself by becoming a public war hero. Maybe they sent you as a spy!”

Then he reached for a knife and Redfield ran down an alley into a door, seeking **safety**. The room was full of people smoking opium. He recognized a girl he knew from school, who had suffered from the pain of depression and drug use and died from an overdose. “Sharon, is that you?” he asked. “It's okay,” she said, “you can stay with us, you'll be **safe** here.” Redfield tried to get her to come with him, but someone shouted, “No, we need each other!” The crowd came toward him and he ran through another door and found himself in an office in the 20th century. A man angrily chased him out into the street. A woman saw him **lost** and invited him to a party. He followed her to hotel, where a crowd was in various stages of nudity and lovemaking. A woman said, “You'll be **safe** here.” He tried to leave but the first woman insisted, “It takes forever to find a group like this. Feel the energy in here. Not like the **Fear** of being **alone**.” A teenage boy shouted, “Leave me alone, I don't want to be here!” Then he ran out the door. Redfield followed him into the street. The general was there holding his knife, facing the four men on the opposite corner. The boy froze in terror! One of the men pulled a gun and the general rushed toward him with his knife. A bullet pierced the general's head. Then they all disappeared! In tears the boy sat down. Redfield said, “It's okay, they're gone.” “No, they're not, look over there!” Unbelievably the four men and the general were now in the exact position they were in at first. “This keeps happening over and over! I can't stand it! Someone needs to help me!” the boy pleaded. Then two souls enveloped him and he disappeared.

Redfield felt his soul group's love, enabling him to raise his energy (card 55). Then he found himself beside Wil. “You were **lost** a long time,” Wil said, “we were watching you, sending you energy.” He gestured toward hundreds of souls, gazing at several large swirls, one was the town Redfield escaped. “What are those places?” Redfield asked. “Mental constructions set up by souls who lived restrictive control dramas (card 39). They are **lost**, not able to wake up after death, and keep repeating the same drama. The boy woke up. If we die still immersed in our control dramas, our routine way to repress the **mystery** and **insecurity** of life, to such a degree that we can't wake up after death, then we become **lost** in these illusions or trances and enter into one of these hellish places, then we can continue the same way of feeling **safe**. It's all a reaction to **Fear**. They repeat the same dramas, using the same coping devices they couldn't **renounce** in life, but the dramas are more **intense** and **non-reflective**. By repeating dramatic, compulsive, high-adrenaline actions, anxiety is pushed into the background, repressing it they feel half **at ease** in this existence. As in the physical dimension, control dramas eventually fail, most often during difficult trials, when the pain and joy, suffering and love of life's challenges are **intense**. When our **safe** routines break down, anxiety rushes in, then we hit rock bottom. This is the time to wake up and handle the **Fear** and anxiety in **another way**. If one doesn't wake up in the physical dimension, they will have difficulty waking up in the Afterlife.
