

**APOSTLES OF MY LOVE, LIVE IN LOVE—LIVE IN YOUR HEART!** When you read my stories, stay **within your heart**, not your mind. Your mind cannot understand how people can coordinate themselves over time and how complex human events can realize themselves without any human planning. For sure your heart will know the truth and hopefully **respond**. I am using my life stories to give you inspiration to help you find the same place that is in both of our hearts. When you are **in your heart**, nothing needs to be done to bring about change; it will happen automatically and with grace. But to reach **your heart**, as every indigenous tribe I know has told me, you must first remember your **Divine Mother**. Your **Mother** is alive and very much conscious beyond what 21-century industrialized man understands. Earth is not a rock, she has a name and a personality in the cosmos. And she knows your name. It is the spirit of **Mother Earth** that is behind these stories. She created these stories that, woven with thousands of other stories from men and women worldwide, will surely **lead** to an entire transformation of humanity. When you finish these stories, how could you not know how much your **Mother** loves you? And in gratitude, how could you not **offer your service to your Mother's needs?**

**THE AWESOME SIGNIFICANCE OF CEREMONY—MAKE YOURSELF LITTLE!** Mankind long ago lived not from the mind, but the heart. It was dreaming that created the world, but now it is thinking that is shaping our way of life. The old way has tremendous power that most of us have forgotten, and unless we remember the old way, **we may be faced with an imbalance that will not resolve itself until we do.** From the day of Adam and Eve, taking care of the “gardens” was their inherent purpose, and as humanity developed, this initial purpose has never changed. Taking care of **Mother Earth** eventually crystallized into **ceremony**. In my tribe, the Taos, a ceremony was held every year on September 30, “San Geranamo Day.” The Taos believed **this ceremony was absolutely necessary to be completed or the Earth would spin off its axis and all would be lost for all people on the planet.** It was a dangerous and beautiful ceremony that pulled people from all over the world to watch the “Indians” climb this incredibly high pole—a 100-foot high tree, stripped of its branches, buried eight feet. From hanging ropes four Indians would attempt to climb the pole and **through this ceremony balance the Earth**, giving it another year to round the sun. Most believe this ceremony is superstition and has no grounding in science. But to the Native Americans they believe it with every cell of their bodies.

Mankind has moved away from the heart of the world to the logic of the mind. Science has proven that ancient belief in ceremony is simply ignorance. And yet modern man has created with his great science a world on the brink of **total destruction** in less than 200 years, and perhaps only a few years left if something drastic is not done. Whereas ancient man with his silly little ceremonies managed to sustain itself over a very long time. Perhaps if we wish to **SURVIVE**, we should consider this ancient wisdom, or at least try to understand with our logical mind how it is possible that **CEREMONY ACTUALLY CAN CREATE A WORLD IN BALANCE.**

Following the indigenous ways has shown me the secret to creation. It is not the mind that is so brilliant, but the **Light of the world that comes from the heart.** Creation always begins in the heart, and then it is transferred to the mind. We have forgotten our essence, and if we do not remember it soon, our great technological mind **will lead us into a world of massive pain and worldwide destruction.** What follows are stories of remembering our **intimate interconnection** with God and the creation process. My stories are given to you so that you also will remember and return into the harmony and flow of the Universe **in everyday life.**

**LOVE IS THE ANSWER TO EVERY QUESTION—EVEN THE QUESTIONS OF THE MIND.**

**THE ANCIENT DEVOTION TO OUR DIVINE MOTHER**

IF YOU WANT TO BRING ABOUT A MIRACLE OF LOVE AND LIFE, IT IS ABSOLUTELY NECESSARY FOR YOU TO CELEBRATE THE LIVING EUCHARIST IN A SACRED CEREMONY ON TRINITY SUNDAY TO BEGIN THE TIME AFTER PENTECOST.

THE ANCIENT DEVOTION TO THE QUEENSHIP OF MARY WAS MOVED IN 1969 TO AUGUST 22, BUT DIVINE MOTHER WANTS THE CHURCH TO REMEMBER THE OLD WAY. REMEMBER THAT NO MATTER WHEN YOU CELEBRATE IT, IT IS ABSOLUTELY NECESSARY!

IT IS ABSOLUTELY NECESSARY TO CELEBRATE THE ANCIENT DEVOTION TO THE QUEENSHIP OF MARY EVERY YEAR ON **MAY 31** IN A SACRED CEREMONY TO RENEW HER REQUEST AT FATIMA TO **CONSECRATE THE WORLD TO HER IMMACULATE HEART** TO BRING ABOUT PEACE. OVER TIME MARY HAS REVEALED SECRETS TO HER VISIONARIES, BEGINNING IN FATIMA AND CONTINUING TODAY IN **MEDJUGORJE**, OF **CATASTROPHIC EVENTS**, WHICH CAN BE GREATLY MITIGATED BY DOING THIS (CARDS 5, 15).

CARD 15 IS AN OVERVIEW OF MARY'S MESSAGES FROM MEDJUGORJE

IN 2018 POPE FRANCIS DECREED THAT THE ANCIENT DEVOTION TO THE BLESSED VIRGIN MARY UNDER THE TITLE OF **MOTHER OF THE CHURCH** BE ADDED TO THE CHURCH CALENDAR, CELEBRATED ANNUALLY THE MONDAY AFTER PENTECOST, TO ENCOURAGE THE GROWTH OF THE **MATERNAL SENSE** OF THE CHURCH IN PASTORS, RELIGIOUS AND THE FAITHFUL.

**CHURCH CALENDAR: TIME AFTER PENTECOST BEGINS WITH TRINITY SUNDAY ON MAY 27TH IN 2018.**

**“DEAR CHILDREN:** In this **peaceless time** I am calling you to have more trust in God, who is your Father in Heaven and who has sent me to **lead** you to Him. You, open your hearts to the **gifts** which He desires to give you and in the silence of your heart adore my Son Jesus, who has given His life so that **you may live in eternity—where He desires to lead you.** May your hope be the joy of a meeting with the Most High in **EVERYDAY LIFE**; therefore, I am calling you: **DO NOT NEGLECT PRAYER BECAUSE PRAYER WORKS MIRACLES.** Thank you for having **responded** to my (911) call” (Med. 5/25/18).

## THE AMAZING MIRACLE OF MOTHER EARTH OVER TIME AND DEATH!

### The Light of Love That Lives in All Hearts!

**“DEAR CHILDREN:** All that my Son, who is the **Light of Love**, has done and does, He has done out of love. Also you, my children, when you **live in love** and **love your neighbors**, you are doing the will of my Son. Apostles of my love **make yourselves little**, open your pure hearts to my Son so that He can work through you. With the help of faith, be filled with love. But, my children, do not forget that the **Eucharist is the heart of faith**—this is my Son who feeds you with His Body and strengthens you with His Blood. This is a **MIRACLE OF LOVE**—my Son who always comes anew, **ALIVE**, to bring **LIFE** back to souls. My children, by **living in love** you are doing the will of my Son and He **LIVES** in you.

“My children, my motherly desire is for you to always love Him more because He is **calling** you with His love. He is giving you love so that you may **spread it** to all those around you. As a mother, through His love, I am with you to speak the **words of love** and **hope** to you—to speak to you the **eternal words that are victorious over time and death**—so as to **CALL YOU TO BE MY APOSTLES OF LOVE**. Thank you” (Med. 5/2/18).

**SERPENT OF LIGHT: BEYOND 2012** is a book by Drunvalo Melchizedek, who is a Native American, called to be an apostle of our Divine Mother’s love. The book was published in 2007 and is sold in over 100 countries. He has a degree in **fine arts, physics and mathematics**, and has studied **human consciousness** with over 70 spiritual teachers of every religion and discipline. From 1972 until 1994 he studied with **angels, sacred geometry**—Earth’s sacred geometric grids, designs, patterns, lines, points and sites. Series 5 begins with the Time after Pentecost on the Catholic Church Calendar. The book and Mary’s current messages from **Medjugorje** are woven together in these cards. His stories will stretch our imagination, but guided by Mary’s messages, we can at least try to better understand and overcome our cultural divide. **“The Mother,”** as Mary refers to herself, has over time revealed herself to many cultures by different names. She is always known for her grace and as the Eternal Mother, who loves her children and is present in their hearts. She was known and revered by indigenous tribes and ancient cultures as **“Mother Earth,”** long before she was born in the flesh and gave birth to God in the flesh. We will learn about the Mayan Calendar, Earth’s oldest calendar, and its predication of a **magnetic pole reversal of Earth’s Kundalini**, called the **Serpent of Light**, followed by a **geomagnetic pole reversal of the North and South Poles**, and **what is absolutely necessary to be completed to mitigate its catastrophic effects**. Watch for Our Lady’s messages, she promises to give **warnings** (Ark Box 5/cards 15, 16). The following is condensed from the “Introduction” and chapter 1, “The Opening,” interwoven with Mary’s current monthly messages.

**THE AMAZING MIRACLE OF MOTHER EARTH OVER TIME AND DEATH:** Every 13,000 years on Earth a **sacred event** takes place that changes the course of history. At this moment this event is occurring, but only a few people know about it and they have kept it a secret until now. I am speaking about **Earth’s Kundalini** or the **Serpent of Light**, which is a sacred energy that comes from the **center** of the Earth and appears and behaves like a snake as it moves, similar to the way human Kundalini energy, our inner Light Body, moves up the spine. The Kundalini of the Earth is a secret energy connected to the **hearts** of all mankind. It is also connected to a location on Earth’s **surface** and stays there for a period of about 13,000 years. Then it moves to a **new location** for the next 13,000 years, based on a cycle of time called the Precession of the Equinox—Earth’s revolution of 26,000 years through the constellations of the Zodiac. When it moves, our idea of “spiritual” changes, transformed by a **new Light or frequency** that leads us into a higher spiritual path **toward Christ’ consciousness—love of neighbor**.

Earth’s Kundalini has **two magnetic poles**, one is in the center of the Earth, the other on the surface. It is the consciousness of **Mother Earth** that decides the surface location. Every 12,920 years, **prior to a geomagnetic pole reversal** (Ark Box 5), the polarity of Earth’s Kundalini changes to the opposite pole and at the same time it changes its surface location. This rapidly wakes up those living near the sacred site and sends a **new frequency** into the electromagnetic grids that surround the Earth, **affecting** the Earth’s and our DNA (*electrochemical acids that determine our genetic code*). This **affects** human consciousness, the way we think, trying to wake us up and move us into a higher level of consciousness—**Christ’ consciousness, love of neighbor**. We grow according to a set plan and design. To those who know the truth about the event, a peaceful state becomes their inheritance. In this **peaceless time** of war, chaos, and moral breakdown being experienced at the end of this cycle, they understand the transition. A fearless state of **trust in God with the help of faith** is the secret to a **victorious** transition.

Spiritually the female will have her turn to lead mankind (womankind) into the **new Light**. This female spiritual light will permeate the entire range of human experience from **gifted** female leaders in business and religion to female heads of state. By 2012-2013 this female spiritual light will become so strong as to become obvious to all. We will learn the Cosmic Knowledge of what is occurring in nature and the stars and what ancient cultures understood about this sacred event. I will tell stories of my experience with the **Serpent of Light** and of the hundreds of indigenous tribes and cultures who helped guide this sacred energy from the Nakkal Pyramid in Tibet, Earth’s highest region, to its new location in South America. What occurred along the movement of its path is unbelievable; **people from different cultures and countries cooperated together in prayer and ceremony as though they were coordinated by a higher power simply for the good of human life. Without spiritual assistance humanity will be unable to evolve to the next level of consciousness, crucial to our very SURVIVAL!**

The **call** to this way of life was so strong that I felt like I had no choice. It simply began to happen all around me as I followed my inner guidance. Tens of thousands of people, mostly indigenous people, have been **led by a deep inner guidance** from 1949 to present, to help bring this unyielding **White Snake** to its new location in the Andes Mountains, Earth’s longest range and second highest region. This is not only a shift in spiritual power from male to female, but it is also a spiritual power shift from Tibet and India to Chile and Peru. The **Light of the World** that has been nurtured and expanded with the Tibetan and Indian cultures is now completed. Its new reign has just begun in Chile and Peru, and soon will **affect the hearts of all mankind**. These are my personal stories as I have followed my inner guidance to help bring **balance to a troubled world**. My training has been to stay connected to **Mother Earth** and **Father Sky** within a secret place within my heart. Once one is connected to the **Divine Mother** and **Father** in this way, life becomes one miracle after another. Never could anyone plan these stories. They are conceived from outside myself in the nature that surrounds us. **Some of these stories break the laws of physics, but not the laws of our Mother. Life is Amazing!**

**THE LIGHT OF LOVE:** In 1971 two softly glowing spheres of light, one a bright green and the other an ultraviolet, entered the room where I was meditating and identified themselves, saying, “We are not separate from you. We are you.” From then on I opened to new possibilities about the **interconnection** of life. Sure, I have the same everyday problems as everyone else, wife, kids, bills, but these beings, who call themselves angels and appear as beautiful spheres of light, have kept me connected to the **inner Light within my heart**, and that Light has always **led** me through all outer circumstances in ways that are hard to believe. And for certain that same **inner Light is within your heart** for there is only **One Spirit** that moves through absolutely everything and everyone. As St. Thomas said, **“God is all around you and within you.”**
