

WITNESS THE TRUTH WITH LOVE! Your Kundalini is a snake like energy, coiled deep at the base of your spine, it is your **primal spiritual energy**. It consist of seven spinning spiritual energy centers, called chakras, that start at the base of your spine and move up to the crown of your head. When they are open and spinning properly, your vital life force or spiritual energy flows freely and keeps you enthusiastic, healthy and alive! If they are closed or out of balance, you may have physical problems. Feel your chakras in action! Become conscious of your feelings and actions when you exert authority—**your will power**—over your children or others. Is it done with love or in

judgement? Feel yourself take a deep breath down to your gut, getting your chakra wheels spinning. Then feel the energy of your breathe surge up your body, passing through your chakra of **will power** into your sensual chakra of **selfish love**. Is your **heart** chakra open and flowing freely? This will determine the words that come out of your throat chakra and what others listen to. If you look with your third eye, you will find the hidden treasure, the potential good in them, and in humility you will not judge but rather **witness the truth with merciful, sacrificial love**. Now you feel good! You have the **new Light** of Christ Consciousness—**His love is WITH you and IN you and you are ONE with Him!** You have **changed**, your actions have unlocked the pineal, now you are ready for the beyond!

CHRIST CONSCIOUSNESS AND BEYOND! The next morning we went to Palenque to the Temple of Inscriptions, connected to the **PINEAL CHAKRA**. We knew we would have to **change** ourselves again to be sensitive enough to find the seventh spot. The pineal chakra is in the center of the head and is unlocked by the third eye. It is the link between the Mer-Ka-Ba field—the human outer **Light** Body—and the Sacred Space of **Light** hidden within the Heart. When these are linked, humans become more than human, they extend into Divinity! Jesus could not have walked on water until **His third eye was opened and the eight beams of Light extended from His pineal chakra beyond the surface of His Sacred Head**. When someone arrives at this level, they are preparing to leave their body and to ascend into the next level of awareness, beyond human, joining the Ascended Masters. Human consciousness is moving into a frontier of **new possibilities**. Soon we will **ALL** know what I speak, for not one of us will escape the **changes** coming, *resisting may cause headaches!* We searched for the spot, then began to give up. Then, as if from past generations, a young Mayan man, wearing a loincloth, ran past us into the jungle. We followed him until he disappeared. We kept running, nothing was going to stop us, we knew this was the way! Then at the top of a hill, overlooking a valley, we were shocked to discover another world—an authentic Mayan village, the people were still living the way they had hundreds of years ago! I couldn't help crying, knowing they were alive. A peace descended over me as I looked at them. Then an image of where the crystal was to be buried came to me. We went back to Palenque and my body was pulled to a small temple and then to a wall and I recognized the exact spot. We buried the crystal with prayers that the **dreams of the Maya, past and present, would synchronize, creating a new reality, a new future of ONENESS on Earth**. This completed the **return of energy—new life**—to the first spiral of temples. The next morning we went to the eighth and final site, the Jaguar Temple. It begins a higher cycle of consciousness on another dimension. The eighth chakra is a ball of fire above your head. What happened there the Maya asked me to keep hidden. So I say, *In Lak'esh*—the Mayan greeting and goodbye, “You are another me” —*you are ONE with me!*

“MY SON IS THE LIGHT OF THE WORLD AND NO ONE AND NOTHING WILL BE ABLE TO STOP HIM IN THE FINAL GLORY!” (MED. 11/2/18)

THE FEAST OF CHRIST THE KING IS A EUCHARISTIC CEREMONY IN NOVEMBER, CELEBRATING “JESUS THE ETERNAL KING, WHO CAME TO ESTABLISH A KINGDOM OF JUSTICE AND HOLINESS FOR **OUR WILL**, A KINGDOM OF LOVE AND PEACE FOR **OUR HEART**. IF WE FOLLOW HIM, HE WILL LEAD US INTO HIS ETERNAL KINGDOM” (CATHOLIC MISSAL). TODAY'S GOSPEL READING: PILATE ASKED JESUS, “ARE YOU THE KING OF THE JEWS?” JESUS RESPONDED, “...MY KINGDOM DOES NOT BELONG TO THIS WORLD.... **THE REASON WHY I HAVE BEEN BORN, THE REASON I HAVE COME INTO THE WORLD, IS TO WITNESS THE TRUTH! EVERYONE WHO LOVES THE TRUTH, LISTENS TO MY VOICE!**” (JN. 18:33-37)

THE SPIRITUAL BODY IS POTENTIALLY MIGHTIER THAN THE FLESH! LOOK With Your Third Eye to Find the Hidden Treasure Deep Within!

“DEAR CHILDREN: My motherly heart suffers as I am **looking** at my children who do not **love the TRUTH**—those who are hiding it. As I **look** at my children who do not pray with their **feelings** and **actions**, I am sad as I am saying to my Son that many of my children no longer have faith, that they do not know Him—my Son. That is why I call you, apostles of my love—you must strive to **look** to the very depth in human hearts and there you are certain to find the little hidden treasure. To **look** in this way is mercy from the Heavenly Father. To seek the good even where there is the greatest evil—to strive to comprehend each other and **not to judge**, that is what my Son is asking of you. And I, as a mother, am calling you to **listen** to Him.

JESUS’ APOSTLES WITNESSED HIM TRANSFIGURE INTO HIS SPIRITUAL LIGHT BODY (MK. 9/CARD 78)

“My children, **THE SPIRIT IS MIGHTIER THAN THE FLESH**, and **carried by love and actions it overcomes ALL obstacles**. Do not forget my Son has loved you and loves you. **His love is WITH you and IN you when you are ONE with Him**. He is the **Light** of the world and no one and nothing will be able to stop Him in the **FINAL GLORY!** Therefore, apostles of my love do not be afraid to **witness the TRUTH**. Witness it with enthusiasm, with works, with love, with your sacrifice, and, above all, in humility. **Witness the TRUTH** to all those who have not come to know my Son (*resisting*). I will be alongside you. I will encourage you. **Witness the LOVE** which never ends because it comes from the Heavenly Father, who is eternal and who offers eternity to **ALL** of my children. The Spirit of my Son will be alongside you. Anew I am calling you, my children, pray for your shepherds, pray that the love of my Son may lead them” (Med. 11/2/18).

SERPENT OF LIGHT: BEYOND 2012 is a book by Drunvalo Melchizedek, revealing hidden truths known by the Maya about our **spiritual body**. *The Serpent of Light or Earth’s Kundalini is a spiritual Light or creation energy coming from the Earth, sending out a new frequency from the Andes Mountains to the heart chakras of ALL of us!* The Maya reveal that a magnetic reversal of this energy occurred and a **geomagnetic reversal** of the North and South Poles will soon follow (Ark Box 5). St. Thoth asked him to place crystals at eight Mayan sites, connected to the **UNITY Consciousness Grid**, to renew Earth’s **chakra energy**. He and his nephew Ken have placed crystals at four sites. The human spiritual body also has a Kundalini and seven chakras (see back). They are **changing**. The book is condensed in these cards and interwoven with Mary’s messages, which are synchronized with the Catholic Calendar, revealing that **ALL of us must change into ONE new consciousness to create a new future to mitigate the devastation of the geomagnetic reversal**. Series 5 began with Ark Box 5 and card 89. Chapter 7, “The Yucatan and Eight temples,” follows.

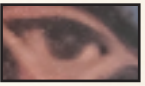

THE SPIRITUAL BODY IS POTENTIALLY MIGHTIER THAN THE FLESH! PRAY! LOOK DEEP WITHIN!

As Ken and I drove to the fifth sacred site at Tulum, time slowed down. All my chakra sensors were open as each temple dissolved more of my city ways and my spirit became aware of the third-dimensional world in a **new Light**. Tulum was the **THROAT CHAKRA**, connected to the world of **sound currents**, one of the **primal energies** of creation. At each temple we moved higher up in consciousness levels of the female part of the Unity Consciousness Grid. I could feel it within. Tulum is beautiful, located on the Caribbean Sea. I could see with my eyes why the Maya chose this place, but knew I was going to have to see with my **THIRD EYE**, my “single eye,” **energetically** why they came. Thoth told us where to place the first four crystals to bring **new life—renewed energy**—back to the temples, raising them to a higher level of **vibration**. But we had to rely on our **inner spiritual self** to find the precise location to plant the last four.

I felt confident when I began to search for the spot at Tulum; but as time went on, I began to think this job was beyond my abilities. I had been using a pendulum to sense the **creation energies**, but here each place felt so strong it seemed an insurmountable task to pick one spot over another. It all felt the same—powerful! We searched for five hours then stopped to eat. Ken, bewildered, said, “If you can’t find the place, we might as well go home!” I said, **“Let’s meditate and see if there is a potential deep within us that can feel in a new way.”** A half hour later I came to a “knowing.” I felt I could find the location by allowing my intuition to take control of my mind through making a humming sound and “**following**” the sound. After all we were in the throat chakra. I began to move into action without thinking, but by **listening** to the sound in my throat. Within minutes we were led to a temple, overlooking the ocean. If I went away from the spot, where the crystal was to be buried, the sound would lower and change tone; but when I went toward the spot, it increased in strength. When we entered a small domed-building, the sound in my throat stopped completely. I pulled out the crystal and saw the paint inside the dome was the same color. We buried it and our work was done!

LOOK WITH YOUR THIRD EYE AND BE CARRIED BY YOUR FEELINGS, ACTIONS AND LOVE! We drove to the sixth site at Kohunlich. We knew we were going to have to **change** again psychically. **Were these abilities within us? Was this potential within ALL of us?** Kohunlich had recently been discovered. After two days of searching, we couldn’t find it, and were ready to give up! Then Ken said, “I know what we are supposed to do! Since Kohunlich is the sixth chakra, the **THIRD EYE CHAKRA**, maybe we should use our third-eye potential to find this temple. You try to use your psychic abilities while I drive.” I closed my eyes and repeated to myself the sound of the temple name, “Kohunlich.” Then I let go of thinking and began to **sense and feel**. When we came to an intersection or Y in the road, I would let my body **sense and respond**. We did this for 75 miles and then turned onto a dirt road, hidden deep in the jungle. Five minutes later we arrived. What a feeling! It worked! We found the hidden treasure, a pyramid engraved with **kingly human faces each with a third eye**.

We started to search for the secret spot with our pendulum but soon gave up. Ken said, “I think we should use our third-eye psychic abilities to find the spot.” He began to meditate, going deep within himself, then, excited, he said, “I know what we are looking for!” He drew a strange hole with a small tree in front of it and a tiny hole in between them, where we were to place the crystal. I held the image in my mind and **sensed out** into **the reality** for it. My body was pulled in a direction away from the pyramid and deep into the jungle. As we were passing two large hills, the pull turned my body to face them. In between the hills was an open space. When we got there, we saw a marble staircase. We climbed it up to the top of the hill, where it opened out into a sitting room with marble flooring and benches. My pendulum began to lead me over the hill into dense jungle until I came to the spot Ken drew. Before we buried the crystal, we held it and prayed **with love** for the Maya. To me the Maya were all around us, and **now they were ALL my brothers and sister. We were ALL ONE and the same spirit. Our purpose was ONE and the same—TO BRING HEAVEN TO EARTH**. I felt honored to help bring **back to life** their **ancient** memories for **future** generations—something happens to human consciousness when mankind of the **present** remembers **WHO** he really is.

“DEAR CHILDREN: You have a great grace of being called to a **new life** through my messages. This, little children, is a time of grace, a time and a call to conversion (**change**) for you and the **future generations**. Therefore, I am calling you to **pray more** and **open your heart chakra** to my Son Jesus. I am with you and love you all and bless you with my motherly blessing. Thank you for having **responded** to my call” (Med. 10/25/18).
