

**“DEAR CHILDREN:** Pray, witness and rejoice with me because the Most High continues to send me to lead you on the way of holiness. **BE AWARE,** little children, **life is short** and eternity is waiting for you to give glory to God **WITH YOUR BEING,** with all the saints. Little children, **do not worry about earthly things, but long for Heaven.** **Heaven will be your GOAL** and **JOY** will begin to reign in **YOUR HEART.** I am with you and bless all of you with my motherly blessing. Thank you for having responded to my call" (Med. 9/25/21).

**IF EARTHLY THINGS ARE YOUR FAITH GOAL—BE AWARE OF THOSE WHO TAKE ADVANTAGE OF YOU!** You can use **final state visualization** to achieve earthly goals and material objects. Lie down, close your eyes and visualize whatever earthly goals or material objects you want. Imagine them in detail and **feel** yourself in possession of them. Hang up pictures. Never set a time or price limit. Imagine whatever **your heart** desires and **have faith** that it will come. Close your two outer eyes and **open your inner eye of faith!** Advertisers take advantage of our innate ability to visualize, using images and suggesting a need for them. Because of the great emphasis placed on material objects in our culture, and the persuasiveness of modern advertising, you may become confused about things you really want or need. **It is therefore crucial to think carefully before visualizing an earthly goal or material object. Wanting it and possessing it are two different things. Faith works!** Psychologists theorize fixing an idea in the mind stimulates the subconscious to **be alert** to situations that will further a **goal** and then it signals the conscious mind to **act** in those situations. Religious people believe **God is answering their prayers.** Mystics say energy around a vision **influences** objects and people.

**TO FEEL GOD’S IMMEASURABLE LOVE—VISUALIZE A CROSS SCENE!** A basic aspect of daily life is **personal relationships.** **Receptive visualization** allows you to experience what it would really be like to have one. It gives you a method of getting in touch with your own inner images of what you think a personal relationship should look like, and a method for making it manifest. Through visualization you can mentally try on different roles to **SEE** how they **feel.** Lie down *or kneel, fold your hands,* close your eyes and in silence allow your mind to **receive** an image of a situation involving the person in whom you are interested. Notice the details of the scene, especially how you and that person are relating to each other—how you **feel** about each other.

**REMEMBER! YOUR ONLY SALVATION IS THE CROSS!** Use visualization to **increase memory.** Picture a simple graphic image in association with what you want to remember, *like a Cross.* **Memorize 14 key words** that stand for the image. To memorize long lists associated with it, **take a mental walk along a street,** where the 14 key words are turned into 14 graphic images and distributed along the street. Mentally walk the street of Jerusalem from Pilate’s palace to Calvary, using the 14 images of the Stations of the Cross. They are usually distributed on church walls or in a garden setting, where people walk in a procession and pray. **SEE** the images of Christ’s suffering as you walk with Him in your mind’s eye and **feel Him in your heart!**

**“DEAR CHILDREN:** Today I am carrying my Son Jesus to you, for Him to give you His peace. Little children, **without peace you do not have a future or blessing;** therefore, **return to prayer,** because the fruit of prayer is **JOY** and **FAITH,** without which you **cannot live.** Today's blessing, which we give you, carry to your families and **enrich** all those whom you meet, that they may **FEEL THE GRACE WHICH YOU ARE RECEIVING"** (Med. 12/25/21; Christmas).

## TO MAKE RIGHT CHOICES, TRUST GOD'S INNER GUIDANCE! Be Carriers of Truth In Service to Love to Reach the Goal of Salvation!

“DEAR CHILDREN: By the **act** of the **decision** and **love** of God, I am **chosen** to be the Mother of God and your mother. But also by **my will** and my **immeasurable love** for the Heavenly Father and my **complete trust** in Him, my body was the **chalice of the God-man**. I was in the **service of truth, love and salvation**, as I am now among you to call you, my children, apostles of my love, to be **carriers of truth**; to call you to **spread His words, the words of salvation**, by **your will** and **love** for my Son: that with **your actions** you may show, to all those who have **not** come to know my Son, **His love**. ♥ †

“You will find strength in the Eucharist—my Son who feeds you with His Body and strengthens you with His Blood. My children, fold your hands and look at the Cross in silence. In this way, you are **drawing faith to be able to transmit it**; you are **drawing truth to be able to discern**; you are **drawing love that you may know to love truly**. My children, apostles of my love, fold your hands, look at the Cross. **ONLY IN THE CROSS IS SALVATION**” (2<sup>nd</sup> old Med. 2/02/20—card 113). †

**SEEING WITH THE MIND'S EYE** (1975) is a book by Mike Samuels M.D. and Nancy Samuels. In this series to help you **SEE**, I summarize the book and combine it with calendar and other current events, messages from Archangel Michael from Series 7, **Mary's new messages on the 25th**, and her old messages on the **2nd**, **counting down**, beginning with her **last call on 3/02/20**.

My first call to use Mary's messages on the **2nd** was Card 22, entitled, “A Community of Unity.” It was written in 2013, eight or nine years ago. On 10/02/13, Mary stated: “I will be with you until the meeting with the Heavenly Father. Those who walk toward Him with **love** and **faith** will be saved.” About eight or nine years from now in **2030**, the **United Nations** plans to achieve their Sustainable Development Goals—“A universal call to action to end poverty, protect the planet, and ensure that by **2030** all people enjoy peace and prosperity.” Michael reveals that this a deception by a few rich people—“**the central manipulators**”—whose goal is to control and enforce **their will** upon the entire planet (by then). He warns us to be alert and awake to their manipulations and those of the **One World committee (U.N.)** and their advancing power to create a global government, using computers to trace everything we do in our daily life. Our thoughts are being manipulated subtly through a clever media campaign over COVID, using deceptive words and images that take advantage of our innate visualization abilities. Michael says we must pass **eight final tests**, using our **innate inner guidance** to fight for our freedom and frustrate their plans. On 3/13/20, President Trump chose to join with the U.N. agenda, using their fear tactics over COVID, and signed an Executive order that closed the economy and the churches down by labeling their daily activities “non-essential.” Thus churches were deceived into giving up our First Amendment freedom to gather before a Cross in Communion, allowing Satan to take away our strength. On the 3/25/20, Mary declared: “Satan is reigning and wants to destroy your lives!” Chapter 12 follows: “Daily Life.”

**TO MAKE RIGHT CHOICES DAILY HAVE FAITH AND TRUST YOUR INNER GUIDANCE!** Daily life involves our basic needs—where we **live**, our life's **work** or **service**, and **relationships**. The way people meet these needs varies with their personalities and the culture they are born into. Each culture has characteristic life styles and values. American culture is a blending of many cultures, resulting in an intense cultural evolution and a variety of life style choices. Our values are undergoing rapid changes that can be confusing and conflicting. This forces us to consult our **God-given inner guidance center** to make the right choices to create or evolve our life style.

“DEAR CHILDREN: You are, and you are called, ‘children of God.’ If **only YOUR HEARTS** would **FEEL** that immeasurable love which God has for you, **YOUR HEARTS** would adore and give thanks to Him at every instant of your life. Therefore, little children, today, on this day of grace, **OPEN YOUR HEARTS** and **IMPLORE THE LORD FOR THE GIFT OF FAITH**; so that you could **truly become worthy** of the name ‘children of God,’ who, with a **PURE HEART** give thanks to and honor their Heavenly Father. I am beside you and am blessing you with my motherly blessing” (Med. 12/25/21; annual Christmas message to Javok).

Visualization is a process used to create a daily life style in harmony with your **inner guidance** or **heart center**. In your mind's eye you have to **SEE** yourself living it! Visualization allows you to gain control over your life and to shape it into a style that brings you peace and joy. One of the most important life-style elements is the place where you **live**. Creating a home in a community in touch with your inner vision will give you the physical resting place that is **most supportive to your inner growth and development**. The first step is to imagine the home you really want. Do not put limits on it. The way you **feel intuitively** about it is crucial. Talk with your family, realtors and builders. Look at pictures to get a vision. Your subconscious mind will go to work on it. **Have faith** and **be open!** It will come to you in a mysterious way.

This same visualizing process is used to achieve a better **job**. Most people's life goal is their job or service and most **feel** they have little control over their choices. People's skills, cultural values, and economic necessities influence the jobs they decide to hold. Job choices based on these limitations can lead to **conflicting feelings** about your life's work. **Have faith!** Visualize the job you really want, not based on your skills or education. Create a picture of it in your mind's eye. **SEE** yourself working at it **without feeling worried** about how it will come about.

**BE CARRIERS OF TRUTH: PRACTICE SPREADING THE WORDS OF SALVATION!** This exercise involves visualizing yourself speaking confidently while giving a **lecture**—mentally rehearsing for it. Also use it to practice for a **job interview**. The goal is to overcome **worried feelings** and to **feel at ease** before an audience and for them to **feel enriched by your words**. The more you rehearse your role, the more you will **have faith** to **transmit your words**. Sit or lie down, close your eyes and allow an image to flow freely into your mind of a meeting room, where you have been asked to give a speech—**to spread the words of salvation**. Picture yourself in the room; notice its details. Look at the people; notice their faces and clothes. Walk over to the lectern; take a few deep breaths until you **feel calm** and relaxed, ready to **witness** the truth clearly. As the audience quiets down, allow the quietness to enter you so you can make them **feel the grace that you have received**. **SEE** the people looking at you in a friendly, interested way. Now hear your voice begin to speak; it is clear and your speech is organized, interesting, and conveys the exact **words of salvation** you want to say. You **feel** increasingly confident and can tell by the looks on people's faces that they are stimulated and understand the truth of your words. Afterward people ask you questions that you are able to readily discern the answers to.

**VISUALIZE YOUR FINAL MEETING WITH THE HEAVENLY FATHER: CHOOSE TO BE A CHALICE OF THE GOD-MAN!** This exercise helps a person visualize the **final state they desire** rather than visualizing all of the steps it takes to get there. **Kneel** or lie down, close your eyes and go to a level where images flow freely. Allow a scene to come to your mind like your **final meeting with the Heavenly Father**. Visualize the **Book of Life** and your name written in it. Open the book and **SEE** your **final test grade** and the **Heavenly Father's** comments about your life's service. Notice if His words reflect well on your choices. Visualize the final goal state in detail. Do not **feel** worried or imagine how your **salvation** comes about. **You made a decision to walk toward God in faith and chose to act in truth and love at every instant, trusting His will completely.**
