

“DEAR CHILDREN: With joy I am calling all of you, who have responded to my call: Be joy and peace! **WITNESS WITH YOUR LIVES HEAVEN, which I am bringing to you.** It is time (urgent) that you be a reflection of my love for all those who **do not love** and whose hearts **hatred** has conquered. Do not forget that I am **with you** and intercede for all of you before my Son Jesus that He may give you His peace” (Med. 8/25/21).

ALL THE SAINTS ARE WITH YOU TO HELP YOU FIND ANSWERS TO THE FUTURE IN YOUR DREAMS!

Pray about how to handle the upcoming COVID vaccine mandate to go into effect January 4, 2022. Heaven will bring you the answer in your dreams! Visual imagery is closer to direct experience than verbal thought. Words are labels describing an experience, but images involve reliving an experience. Dream images do not fit readily into the categories of verbal thought. In dreams the impossible becomes possible. Dream images may appear to contain several totally different images, superimposed one upon another. These images may appear simple and clear while dreaming, but vague and ambiguous when awake. If you learn how to bring your dreams into awareness, the images can be of use in your life. Dreams are a door to the unconscious. You can affect your dreams by putting your thoughts from waking consciousness into them. This enables you to participate in them, influencing their contents. You have probably experienced events of everyday life appearing in your dreams and may even dream repeatedly about an event. Based on this knowledge, **you can seek answers in your dreams to questions pondered in your waking state and the answers will come in the form of visual images.** This phenomenon can occur naturally or be encouraged. Before going to sleep, concentrate on a question that concerns you, telling yourself the answer will come in your dreams. When you awaken, lie still and ponder the dream. **If you wish to have a particular experience like a spiritual experience or meet WITH a particular person like a saint, you can focus on this before going to sleep.** You can learn to consciously act in dreams. Respect dream images like you would an external event. Dreams may be considered beyond control, but you can learn to **control** and **use** them.

WHEN NEEDED A PARTICULAR IMAGE WILL APPEAR IN MANY PEOPLE’S DREAMS TO SOLVE A COMMON CULTURAL PROBLEM. THEY MAY NOT REMEMBER IT, BUT IT WILL INSPIRE THEM (S8/CARDS 4, 5).

5) HALLUCINATORY IMAGES are vivid, uncontrolled images, produced by illicit *and many FDA approved* drugs. To experience visual imagery it is best to use methods you can learn to control.

6) SENSORY DEPRIVATION can also produce vivid, uncontrolled hallucinatory images in a person who has been deprived of stimuli to one or more of their senses either willingly or by force.

7) PERCEPTUAL ISOLATION IMAGERY occurs in people required to be in a state of attention like truck drivers and their minds wander off due to prolonged, monotonous, unchanging sensory stimulation. When the outside world recedes, the inner world surges forth with visualizations.

Believe in your inner images! Inner images like outer images affect your body and your life. Positive belief in them strengthens their effectiveness; negativity and doubt neutralizes them. Before sleeping set aside worries, doubts and negative thoughts and say a prayer of intention to help your mind be open and receptive to the images that come to help you find answers.

ST. JOAN WAS IN BONDAGE FOR A YEAR, DEPRIVED AND ISOLATED, ENCLOSED IN DARK CELLS. ALTHOUGH HER SPIRIT GUIDES HAD PREPARED HER FOR THIS FUTURE, SHE LONGED TO TASTE THE EUCHARIST BUT WAS DENIED HER RIGHTS. BUT JESUS HER KING DID NOT DESERT HER. BEFORE BEING SENT OUT TO BURN AT THE STAKE—TO WITNESS WITH HER LIFE HEAVEN AS HE DID—SHE WAS ALLOWED TO RECEIVE HOLY COMMUNION—HER GOAL AND VISION: TO BE WITH JESUS HER KING!

1 ARCHANGEL ST. MICHAEL REVEALED

HIMSELF TO ST. JOAN IN 1429 AT THE TIME OF THE HUNDREDS YEARS’ WAR. THE WAR WAS AN ONGOING DISPUTE BETWEEN THE ENGLISH MONARCHY AND THE FRENCH MONARCHY OVER WHO WAS THE RIGHTFUL HEIR TO THE FRENCH THRONE. FRANCE WAS DEVASTATED AND ITS PEOPLE DEMORALIZED. THE ENGLISH HAD NEARLY ACHIEVED THEIR GOAL—CONTROL OF FRANCE.

SEEING WITH THE MIND’S EYE ABRIDGED AND SUPERIMPOSED WITH MESSAGES FROM MOTHER MARY AND ARCHANGEL ST. MICHAEL!

ST. JOAN OF ARC: VISIONARY • VETERAN • MARTYR
JOAN ENTERED THE CITY OF ORLEANS HOLDING HER STANDARD OF THE KING OF HEAVEN UP HIGH!

PRESIDENT TRUMP’S CONFEDERACY OF LIES AND DECEIT (S7 / CARD 2A)

THE STANDARD FRONT DEPICTS THE FINAL COMING OF HEAVEN IN JUDGEMENT WITH THE WORDS JESUS AND MARY.

THE STANDARD BACK DEPICTS THE SHIELD OF FRANCE HELD BY TWO ANGELS.

CARD 15 IS AN OVERVIEW OF MARY’S MESSAGES FROM MEDJUGORJE

JOAN STATED IN HER TRIAL: “THE STANDARD WAS COMMANDED BY OUR LORD GOD, BY THE VOICES OF ST. CATHERINE AND ST. MARGARET, WHICH SAID TO ME, ‘TAKE THE STANDARD IN THE NAME OF THE KING OF HEAVEN.’ SO I HAD THIS FIGURE OF GOD AND TWO ANGELS DONE. THE ARCHANGEL ST. GABRIEL WAS REPRESENTED BY A FLEUR DE LYS (LILY) AND ST. MICHAEL BY A SWORD. OUR LORD WITH HIS WOUNDS WAS SEATED ON A RAINBOW, HOLDING THE WORLD.”

HONOR VETERANS ON VETERANS DAY NOVEMBER 11TH.

2 ARCHANGEL ST. MICHAEL REVEALED

HIMSELF TO ST. JOAN WHEN SHE WAS 13. AT FIRST SHE HEARD HIS VOICE BUT LATER HE VISUALLY APPEARED TO HER WITH ST. CATHERINE AND ST. MARGARET, HER SPIRIT GUIDES. FOR 3 YEARS THEY LED HER IN THE WAYS OF HOLINESS UNTIL HER GOAL WAS REVEALED — SHE WAS TO LEAD TROOPS INTO BATTLE AT THE DIVINE DIRECTION OF MICHAEL AND CROWN THE FRENCH HEIR CHARLES VII AS THE KING.

3 JOAN WAS DIRECTED TO GO TO A FRENCH MILITARY COMMANDER AND PERSUADE HIM TO TAKE HER TO CHARLES. SHE CONVINCED CHARLES SHE COULD ACHIEVE HER GOAL BY TELLING HIM SECRETS ONLY GOD KNEW. HER FIRST GOAL WAS TO BREAK THE SIEGE ON ORLEANS. HER TROOPS DISTRACTED ENGLISH TROOPS ON THE WEST SIDE OF THE CITY AS JOAN ENTERED THROUGH THE EAST GATE. THEN SHE FREED THE CORONATION CITY OF REIMS AND CHARLES WAS CROWNED. HE DESERTED HER WHEN SHE WAS CAPTURED BY DECEITFUL FRENCH NOBLES, CONFEDERATE WITH THE ENGLISH. THEY PUT HER IN BONDS AND SOLD HER TO THE ENGLISH, WHO FALSELY TRIED HER AND BURNT HER AS A HERETIC. BEFORE LOSING CONSCIOUSNESS, GLORIFYING GOD, SHE SHOUTED, “JESUS, JESUS, JESUS!”

MAKE HEAVEN YOUR GOAL BY VISUALIZING IT!

Do Not Worry About Earthly Things, Pray and Long for Heaven!

“DEAR CHILDREN: Return to prayer because whoever prays is not afraid of the future; whoever prays is open to life and respects the life of others; whoever prays, little children, feels the freedom of the children of God and in joy of heart serves for the good—for his brother-man. Because God is love and freedom, therefore, little children, **when they want to put you in bonds and to use you, IT IS NOT FROM GOD!** Because God loves and gives His peace to every creature; and that is why He sent me to you to help you to grow in holiness. Thank you for having responded to my call” (Med. 10/25/21).

SEEING WITH THE MIND’S EYE (1975) is a book by Mike Samuels M.D. and Nancy Samuels. In series 8, I abridge the book and superimpose it with **St. Mary’s** messages, a Catholic or secular calendar event, current events, and messages from Series 7—Revelations by Archangel Michael. By overlapping them, I receive a special message from the saints! **St. Michael** reveals that **disorder** precedes ascension into a new millennium. **Loveless leaders**, who serve themselves and do not respect their brother-man, bring it about. Their goal is to manipulate and control the populace for self-gain, utilizing fear tactics through deceptive mind programming strategies. He reveals that humanity must fight to preserve their freedoms by passing eight tests that require faith and seeing truth with their mind’s eye (S7/card 11). On March 13, 2020, President Trump signed a heretical executive order that closed the churches, denying our First Amendment freedoms—the right to gather to be **with Jesus** in Communion. **This was not from God!** He put Jesus on trial again and the churches sold Him out, deserting Him. On March 25th, **St. Mary** declared: **“Satan is reigning!**

Throughout Trump’s presidency, both the FBI and Senate investigated him over allegations that he was confederate with Russian communist oligarchs. Was he in business with them? Did he receive campaign contributions? Did he use their propaganda network to serve his advantage, thus assisting them in a plot to create **hatred, division and chaos with the goal of overthrowing America?** Many of his campaign workers pled guilty in a web of lies, deceit and treason (S7/card 2A). Trump barely escaped impeachment when he was confronted with the coronavirus pandemic. He had to decide to let the virus pass through the populace to build up natural herd immunity or close down the economy. He decided for the latter because he could gain from it. It gave him an agenda to revive his failing second-term campaign. He became confederate with the U.N. World Health Organization, using fear tactics over the virus to manipulate and control the populace. On March 18th, he declared: **“I am a wartime President!”** To overcome the mind games of those who are putting us in bondage, pray and **visualize** peace and freedom **with all the saints!** Chapter 10 follows: “A Receptive Place.”

MAKE HEAVEN YOUR GOAL BY VISUALIZING IT! There are things you can do and things you can be aware of to encourage visualizations. First, know what visualization is. Most people never think of their images as a **special kind of experience**. They never think of images as **events** that they can **control** and **use**. We will learn about **seven forms of visualizations**, so you can be aware of them as they occur. This awareness gives you an opportunity to devote your attention to the images by concentrating on them. By simply setting visualization as a **goal**, you are more likely to visualize. You are not “willing” to visualize, you are acknowledging a desire to visualize. This acknowledgement sets a scene and creates a climate wherein you are doing things that promote visualization. You are programming your bio-computer to be in a state of readiness to receive a **special visualization experience**.

ST. JOAN HAD A PRIEST HOLD A CRUCIFIX UP HIGH FOR HER **TO SEE** AND **SHOUT OUT** THE ASSURANCES OF SALVATION AND HEAVEN SO LOUDLY THAT SHE COULD HEAR HIM ABOVE THE ROAR OF THE FLAMES.

“DEAR CHILDREN: Pray, witness and rejoice **with me** because the Most High continues to send me to lead you on the way of holiness. Be aware that life is short and eternity is waiting for **YOU TO GIVE GLORY TO GOD WITH YOUR BEING, WITH ALL THE SAINTS**. My children, **do not worry about earthly things, but long for Heaven. HEAVEN WILL BE YOUR GOAL** and joy will begin to reign in your heart. I am **with you** and bless all of you with my motherly blessing. Thank you for having responded to my call” (Med. 9/25/21).

1) DO NOT WORRY ABOUT EARTHLY THINGS, PRAY AND LONG FOR HEAVEN IN YOUR DAYDREAMS!

The reason people do not visualize is because they do not make the time to visualize. There are several things that you can do to promote visualizations. You can put yourself in a state of relaxation (S8/card 6), or you can put yourself in a receptive place. Visualization is an inner process. It requires you to put yourself in a place where inner processes can be heard. For most people it is a physical place, where they can be undisturbed. To create your own space, simply enclose yourself in a room or take a walk or lie down. You may prefer a specific time. Do not think about personal situations, causing worry over earthly things, or your plans to solve them. When planfulness decreases, you enter a state of **directionless thought**. To achieve the goal of directionless thought, pray, meditate or just let your mind wander off. Scientists and artists often use this technique when they intentionally set aside a problem, rest and **let the answer just come**. Some people use sensory cues (*sight, sound, taste, smell*) to stimulate visualizations.

2) HYPNAGOGIC IMAGERY is seen in the dream state between wakefulness and falling asleep.

This imagery is less under control than daydreaming in the awakened state. In this state images come by themselves. Hypnagogic images are often fantastic and the **source of new ideas**. The goal is to remain in a state of “interested awareness,” not fully asleep, and try to remember the images. If you look too closely at them, they may disappear; or if you do not pay close enough attention, you may fall asleep. As with visualizing in the awakened state, you should be relaxed and free of worry. You can produce heightened hypnagogic imagery by using relaxation exercises. When you are exhausted, you may fall asleep too fast and will not be aware of the imagery.

3) HYPNOPOMPIC IMAGERY is the dream state between sleep and waking. It occurs when you

wake up in the middle of the night, after a nap, or in the morning if you are not required to be fully awake and immediately pursue earthly things. Most adults wake up worried about earthly things, so they are more likely to remember experiencing this imagery on a day off when they can sleep in. **You can use this imagery to find solutions to earthly problems**. Just wake up a little early and let your mind wander off to remember, attentive to the images that come.

4) DREAM STATE IMAGERY: If you learn how to bring your dreams into consciousness, you will have a rich source of images to use for the good to bring joy and peace in your life.

You may find it difficult to remember your dreams. A common technique for bringing dreams into awareness is to tell yourself before falling asleep that you will remember your dreams when you awaken. When you wake up, lie still and let your mind wander off to let the memories of your dreams come back. At first you may recall little; but as you continue this technique daily, you will recall more. At first you may recall a particular dream very fuzzily, then find that the longer you ponder it the more details you can recall. You may even find yourself remembering whole other dreams that you did not at first recall. It is best if you ponder your dreams before fully awakening and earthly thoughts attract your attention. Dream images do not necessarily follow the laws of ordinary consciousness. They may be difficult to grasp at first in the awaken state. It is helpful to write down your dreams when you first wake up or tell them to someone.
