

MICHAEL REVEALS: THERE ARE ENLIGHTENED BEINGS ON EARTH WHO HAVE MANY GIFTS OF SPIRIT TO BE USED AS YOUR FUTURE BECOMES MORE APPARENT. SOME COMPUTER SCIENTISTS ARE AWAKENING TO THEIR **PSYCHOKINETIC ABILITIES** AND **TELEPATHIC POWER** AS A NEW WAY OF DEFENSE AGAINST THE INTRUSION INTO YOUR PERSONAL LIVES AND MEDICAL RECORDS. SOME, UTILIZING THEIR **REMOTE VIEWING ABILITY**, CAN LOOK INTO GEOGRAPHIC LOCATIONS AND SEE SECRET NEGATIVE ACTIVITIES. SOME CAN RAISE THEIR **ENERGY FIELDS** SO HIGH THEY ARE NOT SEEN OR HEARD AND CAN ENTER THESE LOCATIONS.

PSYCHIC ABILITIES—*a new way of defense against Satan!* You are connected to every living thing and object in the universe and they are all connected to you. Psychic abilities are present in everyone and can be developed or **awakened**. They occur during reverie states, achieved through meditation and relaxation exercises, wherein you purposely create quiet in your mind (S8/card 6). Visual images, as well as auditory and sensory perceptions, occur in reverie states. Psychic images provide information about people, places, objects or events in the past, present or future that are to be used for your good and the good of the world. Psychic abilities include:

- Mental Telepathy:** The ability to receive and send mental communications one to another.
- Clairvoyance/Precognition:** The ability to receive knowledge about past, present or future events.
- Psychic Reading:** The ability to SEE useful information about a person's past, present or future.
- Psychic healing:** The ability to visualize a great, open-hearted, generous, dynamic love pouring into you—a valve opening from an unlimited supply of energy, flowing through you into the sick.
- Psychokinesis:** The ability to mentally influence and move physical objects with energy that flows from or through you. You can also visualize the energy of an object flowing into you.
- Astral Travel:** The ability to separate from the physical body and travel in your astral or light body, which remains connected to the physical body by a slender cord. The astral body is the form in which people have appeared to others after death. It can experience events with senses similar to physical reality. Through astral travel people have been seen in two places at once.
- Traveling Clairvoyance/Remote Viewing:** The ability to SEE scenes and places by mentally traveling there, using meditation and relaxation techniques. The US military developed remote perception skills as a **new way of defense** to SEE into remote enemy locations that anyone can learn [*The Essential Guide to Remote Viewing*, by Paul H. Smith, PhD (Major, US Army, Ret.)].

PARANORMAL PHENOMENA—*synchronized events, helping us grow spiritually!* Scientists theorize that for a paranormal phenomena event to occur a relationship must exist between a sender, receiver and a situation, forming a matrix in space, a womb. When an event takes place in the matrix, a real form is left or given birth to in the physical world. Scientists theorize that an area of each person's mind is part of the collective unconscious—it connects to all other minds and is continuous. The mind in ordinary consciousness represses information from this area, but the censorship is released in non-ordinary or reverie states of consciousness. The renowned psychiatrist Carl Jung theorized that coincidental events are synchronized paranormal phenomena. Meaningful events occur when an archetype image (*commonly understood image*) is activated in the unconscious mind. He believed a unifying image would surface in many people's dreams when it was needed to solve a common cultural problem. They may not recall it, but it inspires them to act synchronistically. If you hold an archetype image in your mind, the energy that surrounds it is released, bringing it from inner to outer awareness. This allows spiritual growth and spontaneous changes to take place in the external, physical world.

HONOR THE 7 HOLY FOUNDERS OF THE ORDER OF THE SERVITES OF MARY ON FEBRUARY 12.

"LET US PRAISE MEN OF RENOWN—OUR ANCESTORS, RULERS BY THEIR AUTHORITY, MEN OF RENOWN FOR THEIR MIGHT, WISE COUNSELORS, SEERS OF PROPHECY, RESOLUTE GOVERNORS, JUDGES WITH DISCRETION, AUTHORS, POETS, COMPOSERS, ALL RESOLUTE MEN, SOLID, FIRM, LOVERS OF BEAUTY AND AT PEACE IN THEIR OWN ESTATES, ALL GLORIOUS IN THEIR TIME. DON'T BE A POSER! BE AN EXAMPLE OF GOD'S LOVE! **The Purpose of Earthly Life and the Greatness of the Heavenly One!**

"DEAR CHILDREN: The firm will and the love of the Heavenly Father make it so that **I am among you, that I, with a motherly love, may help the growth of faith in your heart**, for you to be able to truly comprehend the purpose of earthly life and the greatness of the heavenly one. My children, the earthly life is the way to eternity, to truth, and to life—to my Son. I desire to lead you on that way. You, my children—you who always thirst for more love, truth, and faith—need to know that there is only one spring from which you can drink—it is trust in the Heavenly Father; it is trust in His love. Abandon yourselves completely to His will and do not be afraid. Everything that is best for you, everything that leads you to eternal life, will be given to you. **You will comprehend that the purpose of life is not always to want and take, but to love and give.** You will have true peace and true love. You will be apostles of love. By your example, you will make it so that those children who do not know my Son and His love may desire to come to know Him. My children, apostles of my love, adore my Son with me and love Him above all. Always strive to live in His truth" (6old Med. 10/02/19—card 108).

SEEING WITH THE MIND'S EYE (1975) is a book by Mike Samuels M.D. and Nancy Samuels. In this series I abridge the book and synchronize it with Mary's paranormal messages, the Catholic calendar, current events, and paranormal messages from Archangel Michael from Series 7 to help you grow in faith. Michael reveals a few powerful rich people and the "medical manipulators," the scientific medical establishment, want to take control of Earth using fear tactics. We must learn to open our mind's eye to awaken our psychic powers as a new way to defend our rights and liberties. President Trump is one of the 400 riches men on Earth. Rich men seek greatness in this life; they do not have faith in the next. Filmmaker Brian Buckley said that he designed the "Living Statues" to recall Trump's "defining moments" as president. "The concept is that the history he's painting of himself right now, where his narcissistic or racist or self-serving moments abound, this is what he's leaving us with." Trump began his presidency with a defining moment when he instituted an inhumane "Zero Tolerance" policy against immigrants, separating children from their parents in concentration camps. On 3/13/20, in his most defining moment, he signed an Executive Order, closing down our free market economy under the guise it would only be for two weeks, the time scientists said it would take to eradicate COVID. But he never re-opened it, instead he printed trillions of dollars under stimulus packages to subsidize and control it. Thus he destroyed free market capitalism in America and reigned in Communism. He closed churches and censored all opposing voices, destroying our 1st Amendment rights. On 3/25/20, Mary declared: **"Satan is reigning and wants to destroy your lives!"** If Trump is not powerfully opposed and attracts more followers to his ideology and gets re-elected, he will lead America to abandon the Spring of Life. Chapter 16 follows: "Parapsychology."

DON'T BE A POSER—BE AN EXAMPLE OF GOD'S LOVE if you seek the phenomena called **eternal life!** Parapsychology deals with the science of **paranormal phenomena**, such as the survival of the personality after bodily death. Everyone has a visualization of what will happen to them after death. This visualization affects everything they do in life. Parapsychology deals with **psychic abilities**, such as extrasensory perception, telepathy, clairvoyance and psychokinesis. Parapsychology attempts to **explain things through science** such as the relationship between mind and matter, faith healing, precognition or prediction of the future, the existence of auras, Kirlian photography, and the existence of spirits, demons and ghosts. Both ancient and present day priests and shamans have these **supernatural powers**, including power over physical objects.

"DEAR CHILDREN: Today I am calling you to return to personal prayer. Little children, do not forget that **Satan is strong and that he wants to attract all the more souls to himself.** That is why, **YOU be vigilant in prayer and resolute in the good.** I am with you and am blessing all of you with my motherly blessing. Thank you" (new Med. 1/25/22).

THE PURPOSE OF THE EARTHLY LIFE is not to want and take power but to grow spiritually. The Indian Yoga Sutras (*sacred books*) devote a major section to **supernatural powers.** They warn against becoming involved with these strong powers as a primary focus in your earthly life because they can turn the mind from one's spiritual growth. Scientific methods, based on prediction, experimental verification, and duplication began to be used around the time of Galileo when the Catholic Church was the **most powerful** social and political institution in the Western world. Historians speculate that the Church felt that science posed a threat to its doctrines and allowed science to continue its work unheeded if the scientific establishment declared it would leave matters of God and the soul to the Church. **As a result of this action, scientific authority has grown powerful, becoming an establishment based solely on the exploration of material reality.** Today science has the social and political **power** the Church once had in the 1600's. Like the Church then, the bulk of the scientific establishment has been slow to consider new ideas and phenomena that do not fit within the relatively narrow confines of known scientific laws. But in the late 1880's, despite opposition, a small group of scientists and many renowned laymen began scientific experiments into parapsychological phenomena.

ON THE WAY TO ST. JOHN'S CHURCH PRESIDENT AND FIRST LADY TRUMP POSED FOR A PHOTO-OP AT THE NATIONAL SHRINE, HONORING POPE JOHN PAUL II. THEY FACED HIS STATUE, THEN TURNED, THE LOOK CAPTURED ON THEIR FACES SEEMED DEFIANT OF THE POPE, WHO DEFIED COMMUNISM IN THE FACE. ON 8/8/18, FIRST LADY TRUMP'S PARENTS BECAME U.S. CITIZENS. HER FATHER, VIKTOR KNAVS, IS A FORMER MEMBER OF THE YUGOSLAV COMMUNIST PARTY. THE WHITE HOUSE REFUSED TO ANSWER HOW THEY OBTAINED IMMIGRATION STATUS. THEY LIVED IN THE WHITE HOUSE, CARING FOR THEIR GRANDSON.

THE GREATNESS OF THE HEAVENLY WORLDS cannot be comprehended by man! Scientists in London experimented with ESP and parapsychological phenomena in psychics and mediums. American experiments demonstrated that ESP was not limited by distance, time, material barriers or electromagnetic wave shields. Communist scientists from Russian, Bulgarian and Czechoslovakia published a large volume of work on what they called psychical phenomena—the physic and physiology of psychic phenomena—attempting to obtain physical proof of their existence. From their research a new field sprang up in the West called parapsysics, attempting to explain psychic phenomena in terms of energy. Kirlian photography discovered by Russia and EGG's brain wave scans visually reveal that **high frequency energy fields surround all living things and objects.** But scientists cannot measure this energy; they cannot comprehend the worlds beyond our three dimensional physical world. Some scientists theorize a psi-field surrounds all living things and objects and sends and receives extremely small quantas of energy. The Czechs call it psychotronic energy; Russians, bioplasmic energy; Yogis, prana or kundalini.

MICHAEL REVEALS: WE LIVE IN THE PHYSICAL WORLD—THE THIRD DIMENSION. OUR CONSCIOUSNESS NEVER DIES. THE ASTRAL WORLD—THE FOURTH DIMENSION—IS WHERE WE GO AFTER DEATH. IT IS THE JUNCTION TO HIGHER AND LOWER WORLDS. WE ALSO REACH IT IN REVERIE STATES—DREAMS, VISIONS AND MEDITATIVE STATES. GROUPS CAN USE MEDITATION AND VISUALIZATION TECHNIQUES TO CREATE A COLLECTIVE CONSCIOUSNESS, REACHING THE FOURTH DIMENSIONAL STATE. THIS AMPLIFIED VIBRATION IS A DEFENSE AGAINST NEGATIVITY, OVERCOMES FEAR, AND WILL MANIFEST PEACE, ENABLING US TO ASCEND TO THE MILLENNIAL WORLD—THE FIFTH DIMENSION, WHERE WE COMMUNICATE TELEPATHICALLY. IN THE SIXTH DIMENSION—THE SPIRITUAL WORLD—WE PROJECT PICTOGRAPHIC IMAGES (S7/CARDS 10, 12).
