

**GOD COMMANDED:** "YOU SHALL NOT BOW DOWN OR WORSHIP IDOLS; FOR I AM A JEALOUS GOD AND PUNISH THE CHILDREN FOR THE EVIL SINS OF THEIR FATHERS TO THE THIRD AND FOURTH GENERATIONS" (EX. 20: 4-5).

**SATAN ACHIEVES WAR AND PEACELESSNESS BY HIDING AND DISTORTING THE TRUTH!**

Ani said, "The human world evolves through the succession of generations. One generation establishes a way of life and the next extends that worldview. This process is often antagonistic, but it doesn't have to be that way. Children have an intuitive sense of what is incomplete in their parents' way of life. We chose our parents in part to be awakened to what is missing, to what truth needs to be added to human understanding. The process begins by being dissatisfied with our lives with them. To avoid an antagonistic relationship, we participate consciously with this process by being open to their criticism and supportive of their choices and goals."

Tashi and his father Dorjee came out. Dorjee announced, "The legends say a **great transition** will occur soon in Shambhala. We will move to a new location precisely when the conscious level in the outer world reaches a specific point. My parental intuition is for Tashi to join me at the temples during the transition, but he feels differently. Our work there will be disrupted as the situation in the outer world becomes critical. During man's hidden history, they have developed spiritually to this evolutionary point and then misused technology. This is happening again right now. A few rich people, with a hidden agenda, control politicians, corporations and the stock market. They also control the media and create a reality that is false and distorted. The government is taking away your privacy and freedom by **distorting the need to combat drug-dealers and terrorists**, justifying the use of surveillance technology. *This same distortion is used to justify war at your Southern border*, monitor the Internet, and restrict cash transactions. The next step is a cashless society, controlled by a central authority, *embedding a microchip in your flesh*. This **spiritless** governmental in a high-tech material world will lead to **Armageddon**. **Wake up! Courageously witness the truth that you are spiritual beings in a spiritual world!** Then governments, technology, media, and money will transition into their true spiritual roles."

**THE FINAL GLORY!** "The WWII generation used courage and technology to save democracy and freedom from the threat of dictators seeking empires. They won by using technical might and then expanded technology into a worldwide economy. Next the baby boomers arrived. Their intuitions told them that something was wrong with focusing only on the materialistic uses of technology. They grew up in a materialistic society and voiced the idea that there was a spiritual purpose behind human history, a hidden truth that could be understood. Now a new generation has arrived to focus on the economy by refashioning technology to support mankind's mental and spiritual abilities. The three generations must now flow together as **ONE** by using the prayer extensions to stop technology from falling into the hands of those who want to misuse it. In faith, extend your prayers and love to past generations and to all those around you to merge into an integrated prayer-field of light. Love must flow in and through everyone. Then all people will be **ONE** with the Divine, *stopping Satan*, and the glorious **UNITY** of religions will occur." We heard helicopters. "The transition has begun!" Dorjee said. □

**SHEPHERDS:** DO PENANCE FOR YOUR PREDECESSORS, WHO OVER THE LAST SEVERAL GENERATIONS, SINCE THE ADVENT OF TV, HAVE ALTERED THE WORSHIP OF THE BODY AND BLOOD OF CHRIST AS THE NEW TESTAMENT OFFERING AND REPLACED IT WITH A MONETARY OFFERING. THIS GREAT EVIL—THE LOVE OF MONEY—IS THE ROOT OF AMERICA TURNING INTO A **SPIRITLESS SOCIETY**, BASED ON MATERIALISM, AND THE REASON WE ARE FACING ARMAGEDDON TODAY. IF OUR SHEPHERDS WOULD BE LED BY **JESUS'S LOVE**, MANY OF THE PROPHETIC EVENTS COULD BE AVOIDED.

I am with you, little children, and, anew, I am calling all of you: take courage and bear witness to the good works that God is doing in and through you. Be joyful in God. Do good to your neighbor so that it will be good for you on Earth, and pray for peace, which is threatened because **Satan wants WAR and peacefulness**. Thank you for having responded to my call (Med. 9/25/22).

## CONQUER ALL OBSTACLES WITH LOVE AND SPIRITUAL TRUTH! The Way to Peace: Through Personal Peace, Build a World of Peace!

**“DEAR CHILDREN:** My motherly heart suffers as I am looking at those of my children who **do not love the truth**, those who are hiding it—as I look at my children who do not pray with their feelings and actions. I am sad as I am saying to my Son that many of my children no longer have faith, that they do not know Him—my Son. That is why I call you apostles of my love—those of you who strive to look to the very depth in human hearts and there you are certain to find the little hidden treasure. To look in this way is mercy from the Heavenly Father. To seek the good even where there is the greatest evil—to strive to comprehend each other and not to judge—that is what my Son is asking you to do to overcome evil. And I, as a mother, am calling you to listen to Him.

**“My children, the spirit is mightier than the flesh, and, carried by love and actions, it overcomes all obstacles.** Do not forget that my Son has loved you and loves you. **His LOVE is with you and in you when you are ONE with Him. He is THE LIGHT of the world and NO ONE and NOTHING will be able to stop Him in the final glory!** Therefore, apostles of my love, do not be afraid to **witness the truth**. Witness it with enthusiasm, with works, with love, with your sacrifice, and, above all, in humility. **Witness the truth** to all those who **have not** come to know my Son. I will be **alongside you** and encourage you. **Witness the LOVE** which never ends because it comes from the Heavenly Father, who is eternal and who offers eternity to **ALL** of my children. The spirit of my Son will be **alongside you**. Anew, I am calling you, my children: **pray for your shepherds, pray that the LOVE of my Son may LEAD them.** Thank you” (7old Med. 11/02/18; card 95).

**THE SECRET OF SHAMBHALA** — (1999) A BOOK BY JAMES REDFIELD, INTEGRATE WITH **MARY'S MESSAGES, A MASS, AND CURRENT EVENTS. CH. 8: “THE LIFE PROCESS.”** On 10/6/22, President Biden issued a warning about Putin's threat to **misuse technology** and start a nuclear war, “We have not faced the prospect of **Armageddon** since Kennedy and the Cuban missile crisis.... Putin is not joking when he talks about the potential use of tactical and nuclear weapons.... He said several times last month he would use ‘all weapon systems available’ to Russia if its ‘territorial integrity’ was violated.” On 3/2/22, the United Nations voted to demand an immediate withdrawal of Putin's troops in Ukraine. The motion was backed by 141 countries during an emergency session in New York. Four countries opposed it. Trump also opposed it. In an interview with Clay Travis, he praised Putin, saying his actions were “genius.... I'd rather see them send soldiers to our Southern border... in three weeks you could finish it.” He was not joking. On 3/18/20, five days after he issued an Executive Order to close the economy over the threat of COVID, he could not hide his true goal, boasting, “I am a wartime president!” **Coincidentally**, that very same day Mary said she was no longer permitted to give messages on the 2nd. A week later she declared, “**Satan is reigning!**” She was not joking!

### **LOVE OVERCOMES OBSTACLES BECAUSE THE SPIRIT IS MIGHTIER THAN THE FLESH!**

(Story recap: **Redfield** found Shambhala, fleeing from Chinese military helicopters into Inner Earth. It is an **advanced technological society** that uses a small unit to amplify their prayer-field—our mental energy field, **the light** extending out of us that affects the world around us—enabling them to create material things mentally. He is in the home of Ani and her 14-year-old son Tashi. I took a walk on a path behind Ani's house. I saw a man, his eyes met mine, and then he walked on by. I could see him from the corner of my eye look back. I realized I should have talked to him, so I went after him, but he turned a corner and vanished. Then I walked back to Ani's.

**“DEAR CHILDREN:** God permits me to be with you and to lead you on the way of peace, so that **through personal peace, you build peace in the world.** I am with you and intercede for you before my Son Jesus, that He may give you a strong faith and hope in a better future, which I desire to build up with you. You be courageous and do not be afraid because God is with you. Thank you for responding to my call” (Med. 8/25/22).

Ani greeted me with some new clothes that she made using only her amplified prayer-field. She said, “Tashi's father came from the temples and is with him in his room.” “I think I passed him.” **“He's here to prepare us for the transition,”** she said. “He thinks we are near the time when Shambhala will move. If you saw him, it means the message he is bringing is important for you to hear. We are very conscious of the **synchronistic process**. It is an important part of the **spiritual life process** necessary for an entire society to evolve into a **peaceful technological future**. For people to achieve peace, they must use the spiritual process of consciously raising their prayer-energy together, working as **ONE**, carried by loving actions. This is the only way to overcome all the obstacles advanced technology brings. Those who create technology will make it more efficient, using robots instead of people to make material goods. This is occurring in the outer cultures now and is a positive move. But technology is dangerous if too much power ends up in the hands of a few corrupt people and corporations. It also creates job losses. But this is mitigated because as material production is automated, the economy shifts to one of information and service. People will provide just the right information or service at just the right time. They must be intuitively alert, listening with their heart, focused on synchronistic perception, not materialism, as a better way of life, **perceiving heaven is working alongside them.**

“As spiritual perception increases, people will become more aware of their prayer-field's creative powers and technology will evolve. In due time, the thought wave amplifier will be discovered, and the outer cultures will be able to create every material thing they need mentally. This will free them to focus entirely on spiritual matters or on the whole spiritual life process. This is the point where we are at in Shambhala and where the outer world is destined to follow. **All people in our society are taught that our spirit is mightier than our flesh. All cultures must wake up to the divine truth that they are spiritual beings.** The flesh is only atoms in a specific vibration that are raised as our **divine connection** and **prayer power increase**. Our next step in the evolutionary process is to create material things without the thought amplifier.”

**THROUGH PERSONAL PEACE, BUILD PEACE!** “Tell me more,” I asked. “We understand that we come here from a spiritual plane with a pre-life vision to achieve a goal. Each one of us is here on a personal mission to help bring the entire world into a fuller spiritual awareness, generation by generation. That's why we consciously participate in the life process before birth. Intuitively, a soul contacts perspective parents before conception to see if they are the right ones to help them achieve their goals and if they have the right genes to give them the tendencies and talents they will need. The perspective parents are also intuiting a perspective child and what the child's life and theirs would be like. This same intuition process is involved in the marriage selection. We receive intuitions about what life would be like with a perspective mate. We assess it, even if we are not conscious of it. Intuitively, we know our goal is to build a better life for ourselves and the world around us. But we forget what we came to achieve, so we must wake up. The next step in the life process is to help a child wake up. To achieve this, we record our relatives several generations back to give them a context of the events surrounding their birth. They tell them about their lives and how they feel they should have acted differently.”
