

“DEAR CHILDREN: I rejoice with you and thank you for every sacrifice and prayer, which you have offered for **my intentions**. Do not forget that **YOU are important in my plan of salvation of mankind**. Return to God and prayer that the Holy Spirit may work in you and through you. I am with you in these days when **Satan is fighting for war and hatred**. **Division is strong and evil is at work in man as never before!** (Med. 6/25/22).

TO BUILD A CULTURE OF PEACE, EXPECT MORE FROM YOURSELF: SACRIFICE AND PRAY FOR GOOD TO WIN! Suddenly, the Toyota sped by us. As we chased it, Yin said, “Reach out to him with your prayer-energy.” I visualized my energy outflowing to him, making him slow down and stop. But he sped up. Yin yelled, “What are you doing?” “I’m using my field to make him stop.” “No, that has the opposite effect! When you try to manipulate someone into doing something they do not want to do, they resist. He is feeling fearful you might want him to do something not good and is trying to flee. Visualize your energy extending out, not manipulating him, but with the intent of elevating his vibration level. This will help him overcome fear and return to his higher-self intuitions, which may be to dump us and flee the country. The culture of Shambhala is built around setting loving prayer-fields. **The human mind is contagious**. The prevailing worldview is a huge field of belief and expectation. If enough of us beam a higher expectation of love into this human energy field, we can build peace and inspire good in others.”

SHEPHERDS: GO OUT AND HARVEST SACRIFICE FROM THOSE WHO SACRIFICE AND SUFFER THE MOSTS: THE HOMELESS. ASK THEM TO PRAY FOR MERCY FOR THOSE WHO HAVE SHOWN THEM NO MERCY. SEE WITH YOUR HEART THEIR HIGHER SELF—CHRIST’S REFLECTION IN THEIR FACE (CARDS 32-83).

EVIL MEN ARE TESTING US—TO PREVAIL SEE WITH YOUR HEART AS NEVER BEFORE! We lost sight of him, but I noticed a sideroad. We took it and saw his Toyota stuck in the mud. At first, he seemed suspicious, but then he recognized us and let us help him. I focused on his face, looking for an expression of calmness and wisdom in his features, especially his eyes, and asked, “Have you met Wil James?” “Yes, we crossed paths several times in a hotel in Lhasa. I think he mentioned going to the ruins of an old monastery in Dormar.” Yin knew the place. We drove by Lake Manasarovar, a holy place as no other. Flags flew everywhere. Yin said, “These are prayer flags, sending prayers in the wind for love to prevail over humanity. The culture of Tibet is totally dedicated to spiritual life, and yet we have been attacked by the most Communistic and atheistic government on Earth—China! **One vision or the other will ultimately prevail.**”

When we came to the town of Ali, Yin said, “My father was killed by the military here, along with 1000s of Tibetans. If I can’t control my hatred and anger over this, I fear I may not be able to keep my energy level up enough to enter Shambhala. You may have to go on alone. The legends say that a fear image is the result of an imagined outcome or about something we fear losing, like our life. Fear often turns into hatred and anger, and then we fight against those we fear. To overcome these emotions, **we must be detached from all outcomes**. We have learned to set our prayer-field and to expect the right intuitions and events to guide us, **but we must detach ourselves from any imagined outcome and trust God.**” I asked, “What if we are going to be killed?” Yin said, “What if this situation is the result of not being detached from the way events were going, not trusting God, that led up to it?” I asked, “Will the synchronistic process, the ordering of events by the higher worlds, take us out of harm’s way? And if we stay alert, expecting them, following our intuitions, will we see in our heart which way to go?” “Yes! Expect miracles! Keep your energy up because evil men will test your faith as never before!” □

THE 2012 PROPHECIES—THE POLE REVERSAL IS 10 YEARS OVERDUE (CARD 16)

ARCHANGEL MICHAEL: “THERE WILL BE A TIME IN THE FUTURE WHEN HUMANITY WILL FALL INTO GREATER DARKNESS. THE LIGHT BEINGS, WHO DEMONSTRATE THEIR DIVINE GIFT OF PEACE AND LOVE, WILL NOT HAVE TO STAY DURING THE FINAL HOURS OF DARKNESS. THE PORTALS OF TIME—EARTH’S VORTEX ENTRANCES—WILL OPEN THROUGHOUT THE WORLD. LIGHT WORKERS WILL BE TAKEN THROUGH INVISIBLE DOORWAYS INTO **EARTH’S INNER WORLD CITIES OF LIGHT**. TWO PEOPLE WILL BE SIDE BY SIDE AND ONE WILL DISAPPEAR BECAUSE OF THEIR HIGHER VIBRATION LEVEL. INDIVIDUALS AND GROUPS WILL DISAPPEAR AS THE HIGHER BEINGS ALLOW ENTRANCE INTO THE **HIDDEN CITIES** UNTIL THE FINAL GLORIOUS ASCENSION” (S7/CARD 12).

"DEAR CHILDREN: I call you 'apostles of my love.' I am showing you my Son who is the **true peace** and the **true love**. As a mother, through the **mercy** of God, I desire to lead you to Him. My children, this is why **I am calling you to reflect on yourselves, starting out from my Son, that you look to Him with the heart, and that you may see with the heart where you are and where your life is going.** I am calling you to comprehend that it is thanks to my Son that you live—**through His love and sacrifice.** **You are asking of my Son to be merciful to you and I am calling you to mercy. You are asking of Him to be good to you and to forgive you, and for how long am I imploring you, my children, to forgive and to love all the people whom you meet?** When you comprehend my words **with the heart**, you will comprehend and come to know the **true love** and you will be able to be **apostles of that love**, my apostles, my dear children" (13old Med. 3/02/19; card 100).

THE SECRET OF SHAMBHALA —BY JAMES REDFIELD; CH. 4 ENDS: "CONSCIOUS ALERTNESS"; CH. 5: "THE CONTAGION OF AWARENESS" ABRIDGED AND INTEGRATED WITH **MARY'S MESSAGES** AND CURRENT AND FUTURE EVENTS! *Trump continues to spread false information like a contagious disease. He is influencing a major part of America's collective consciousness, intriguing people with his deceptive words. Americans have been made aware of his evil plans by many witnesses in a FBI investigation, two Senate investigations, and two impeachment hearings. The Justice Dept. is investigating the 1/6/21 Capitol riots, wherein his rebels tried to overthrow America and lynch Vice President Pence. His intention is to divide us in a civil war, brother hating brother, expecting it to end in a military state with him as our dictator. To overcome the Trump mind-set, send prayer-energy to his people!*

PRAY TO STILL EVERY SPIRIT ESPECIALLY YOUR OWN! (Story recap: *Redfield* and Yin are looking for Wil, who is searching for the **Inner Earth City of Shambhala**. Chinese military agents are trying to stop them. To find Shambhala they must overcome them, using Prayer Extensions from the Shambhala Legends. They are looking for a couple in a van who may know where Wil is.

Yin and I headed toward a river passed the Tibetan town of Paryang. I had an intuition of the couple going there, *I saw it in my heart!* Yin navigated around a military checkpoint. When we reached the river, we caught sight of a Toyota hidden behind some rocks. I recognized it from a roadblock. We drove a little further and saw the couple's van parked. Yin hid our jeep, and we walked in the moonlight. We found the couple huddled around a campfire. Yin said, "Sorry to disturb you. We are looking for our friend Wil James. Do you know anything about him?" At first, they panicked but then realized we were harmless and asked us to sit by the fire. "We do not know Wil," the woman said, "but the man we are here to meet mentioned him."

I was about to tell them we spotted a Toyota when we heard military vehicles. The couple jumped up and ran. We tried to follow but lost them. Yin decided it was best to separate and said, "I'll get the jeep and meet you downstream." As I made my way through the rocks, I wondered what information we could have learned if we had talked longer to the couple. I stopped to rest and heard someone walking. It was a young man. Thinking it was the man the couple was meeting, anxiously, I said, "I saw your two friends." Frightened, he kept silent, but then asked, "Where?" "They were upstream, waiting for you," I replied. "They said you knew my friend Wil James." "Was the military there?" he asked. "Yes," I said. He panicked and ran off. I chased him but lost him and lost another chance to get information about Wil. I could hear military trucks, so I cautiously made my way downstream and met up with Yin.

"DEAR CHILDREN: I am looking at you and thanking God for each of you, because He permits me to still be with you to encourage you to holiness. Little children, **peace is disturbed and Satan wants peacelessness. That is why, may your prayer be even STRONGER so that every unclean spirit of division and war may be stilled.** Be builders of peace and carriers of joy of the Risen One in you and around you, **FOR THE GOOD TO WIN IN EVERY MAN.** Thank you for having responded to my call" (Med. 5/25/22).

I told Yin I didn't get any information from the man because he was afraid and ran off. He explained, "You let the energy of his fearful mood **prevail** over you. **The First Prayer Extension** taught us that we all have an energy field, called a prayer-field, flowing out from us. **The Second Extension** taught us how to set our prayer-field by focusing on things we hope for. Then pray, stay alert, expecting synchronistic or coincidental events to bring it about. **The Third Extension teaches us how to still someone's spirit by setting our prayer-field to extend out and elevate their vibrational level.** When our energy field reaches someone else's field in the right way, they feel a hit of spiritual energy, clarity, and intuition that helps to still their spirit so they can in turn help us." I said, "I was taught that sending loving prayer-energy is the new ethical way to deal with the attitudes of all the people we meet. We should look with our heart for their higher-self-expression that is reflected in their face (*see Jesus in their face*). Then speak to that higher-self-expression to uplift them into a higher expression of themselves." Yin said, "And our prayer-field can also go out and increase a person's vibration level at a distance, even before you see their face. Visualize your calming prayer-field overflowing into everyone's field around you."

CHANT THE HAIL MARY TO STILL EVERY SPIRIT, INCLUDING YOURS! ELEVATE ENERGY AROUND PEOPLE, PLACES, SITUATIONS AND EVENTS WITH THE HAIL MARY VIBRATION: HAIL MARY, FULL OF GRACE THE LORD IS WITH YOU; BLESSED ARE YOU AMONG WOMEN, AND BLESSED IS THE FRUIT OF YOUR WOMB, JESUS!

BE MERCIFUL! BUILD PEACE AND CARRY JOY TO ALL THE PEOPLE YOU KNOW AND MEET! "Faces may contain similar patterns or features," Yin continued. "You can see the anger of your abusive father, the aloofness of an uncaring mother, or the face of someone who has inflicted evil on you, reflected in someone else's face. When we meet a person who resembles someone who has done us wrong *or right*, we tend to expect that person to act the same way. We must not respond to others with expectations dictated by our past experiences. **Our expectations are contagious to all those round us.** The energy fields of all of us mix together out in the world, and those with **the strongest expectations prevail and go out and influence everyone else.** This explains the mystery of crowd behavior, why good people, influenced by a few who are in great fear and anger, get caught up in lynchings, riots, and other evil deeds they had never done before. This is why hypnosis works and why TV ads and propaganda influence people's minds.

"The prayer-field of each person intermingles with everyone else, creating **national mind-sets** and **ethnic hostilities. Cultural attitudes are contagious.** Each culture thinks and feels differently about life. **To build peace do not judge.** We must consciously uplift people's energy when we relate to them. If we are being overcome by their mood and expectations, we must return and fill up with the Living Energy of the Risen One and overflow that joy to them to elevate their mood. Don't let someone's fearful expectations prevail over you. **For good to win in every man, draw them closer to God with your hopeful expectations and joyful mood.**"

"DEAR CHILDREN: I am with you to lead you on the way of conversion, because, little children, with your lives you can draw many souls closer to my Son. You be joyful witnesses of God's word and love and with hope in the heart, which **conquers** every evil. **Forgive those who inflict evil on you,** and go on the way of holiness. I am leading you to my Son, for Him to be the way, the truth and the life for you" (Med 7/25/22).
