

## SECRET II: THROUGH PERSONAL PEACE, BUILD PEACE, THAT'S HOW LOVE WORKS!

I asked Ani to tell me about the 4th Prayer-Extension. "In the first three extensions you learned the secrets about your prayer-field and how to properly extend it, to reach out and uplift others with your loving prayer energy, positively influencing everyone around you. **The 4th Prayer-Extension is to grasp man's intended future.** Once you grasp it, you will want to extend your personal field. To know where evolution is going, follow your intuitions, listen with an open heart. It is time for man to know the secret of what they can do with the power of their minds."

I woke up abruptly from a dream. Tashi and I were being chased in Shambhala's temples. "What's wrong?" Tashi asked. "Just a scary dream," I said. "Tell me about the outer cultures?" he insisted. "Can't you get there through a wormhole?" I asked. "No, because of the difference in the energy levels. But those at the temples can see what happens there and influence it with their powerful fields. Most of us aspire for a place in the temples, but I'd rather go to the outer cultures. Tell me about them." I explained the environmental problems, the struggle to institute democracy, and the corrupting influence money has on our governments. He listened intently.

I asked Ani, "How does your economy work?" She explained, "We do not use money or manufacture material things. **We learned the secret to the proper way technology is intended to be used—to serve everyone. We developed our mental and spiritual abilities to build all the material things you see here.** We use cold fusion to power the amplification units, which is free and does not harm the environment. **But to place technology in the service of everyone, everyone must move to a point where spiritual evolution and understanding is more important than money and control.** Some, locked up in fear, think they personally need to manipulate with their egos the course of human evolution and **want to use technology to control others.** A few controllers in our past attempted to subvert the proper use of the units, wanting to control and monitor our thoughts. It ended in war and mass destruction. **The outer cultures face this right now!** A few leaders want to use technology to surveil people's actions, monitor and influence their thoughts, and to embed chips in them to control money."

I thought, it is one thing to hypothesize about man evolving toward an ideal utopian future, but quite another to witness a culture that has achieved it. Ani said, "**How we properly use technology is the natural course of human evolution.** We are ahead of you. We have enough people with pure and open hearts, who know how to bring the energy of love into themselves and project it outward to others that it abounds, creating a multiplying effect. People's energy is contagious. **All the thoughts and expectations of everyone in a culture flow together and make one big energized cultural prayer-field.** The energy level achieved is based on their awareness of the existence of this group consciousness field, and the way they personally reach out with their fields to each other. At the temples we *intercede* for the outer cultures to enlighten them about how this collective energy field works. **The secret is to let the energy of love flow in and through you, not hate and fear, and then you will achieve our level of peace instantly!**

"When you reach out with love with your field to uplift others into their higher intuitions, it promotes the divine plan. The more you act in harmony with the divine, trusting God, the more synchronistic experiences occur. The more you reach out to others, the stronger and more powerful your field becomes. Be joyful, set your field high, expect man to evolve into their destined technical future properly. Anchor this expectation in faith but remain detached from the outcome. You were called to Shambhala to witness the secret to peace to outer Earth!" □

◆ CARD 15 IS AN OVERVIEW OF MARY'S MESSAGES FROM MEDJUGORIE ◆

**JESUS SAID TO HIS 12 SHEPHERDS:** "WHAT I TELL YOU IN THE DARK, SPEAK IN THE DAYLIGHT; WHAT IS WHISPERED IN YOUR EAR, PROCLAIM FROM THE ROOFTOPS. DO NOT BE AFRAID OF THOSE WHO CAN KILL THE BODY BUT CANNOT KILL YOUR SOUL. RATHER, BE AFRAID OF THE ONE WHO CAN DESTROY BOTH SOUL AND BODY IN HELL" (MT. 10:27-28).

### SHEPHERDS: OFFER GOD A VOTIVE MASS: A COMMON MASS OF THE VIRGIN MARY.

**"DEAR CHILDREN:** Pray that the Holy Spirit may **enlighten** you, that you be **joyful seekers of God** and **witnesses of love WITHOUT BOUNDS.** I am with you, little children, and, anew, I am calling **ALL** of you: **take courage** and **bear witness to the good works that God is doing in and through you.** Be joyful in God. Do good to your neighbor so that it will be good for you on Earth, and pray for peace, which is threatened because Satan wants war and peacelessness. Thank you for having responded to my call" (new Med. 9/25/22).

## FAITH IS A MOST WONDERFUL MYSTERY KEPT IN THE HEART!

### To Build a Better Future on Earth Do Good to Your Neighbor!

**“DEAR CHILDREN:** When you come to me, as to a mother, with a pure and open heart, know that I am listening to you, encouraging you, consoling you, and above all, **interceding** for you with my Son. **I know that you desire to have a strong faith and to express it in the right way. What my Son asks of you is to have a sincere, strong and deep faith—then every way in which you express it is proper. Faith is a most wonderful mystery, which is kept in the heart. It is between the Heavenly Father and ALL of His children; it is recognized by the fruits and by the love which one has towards ALL of God's creatures.**

“Apostles of my love, have trust in my Son. **Help ALL of my children to come to know His love.** You are my hope—you who strive to sincerely love my Son. **In the name of love,** for your salvation, according to the will of the Heavenly Father and through my Son, I am here among you. Apostles of my love, along with prayer and sacrifice, may your hearts be illuminated with the love and the light of my Son. **May that light and love illuminate ALL those whom you meet and bring them back to my Son.** I am with you. In a special way, I am alongside your shepherds. With my motherly love I illuminate and encourage them, that with the hands blessed by my Son, they may bless the **ENTIRE** world” (“old Med. 12/02/18; **CARD 96: TITLE, PICTURE, MASS, SEXUAL CONTENT, SYNCHRONISTICALLY ALIGN.**)

**THE SECRET OF SHAMBHALA — A BOOK BY JAMES REDFIELD; CH. 7: “ENTERING SHAMBHALA,”**

**ABRIDGED AND SYNCHRONIZED IN A MYSTERIOUS WAY WITH MARY'S MESSAGES AND CURRENT EVENTS:** *On 9/19/22, Liz Cheney expressed her feelings about the improper conduct of Trump and his people: “Those who are protecting Trump—elected leaders of my party—are now willing to condemn FBI agents, Dept. of Justice officials, and pretend that taking top-secret SCI documents and keeping them in a desk drawer in Mar-a-Lago was not a problem. Excuse by excuse, we’re putting him above the law. We are rendering indefensible conduct normal, legal and appropriate—as though he were a king.” She said that on 1/6/21, before Trump’s violent attempt to subvert democracy, a GOP member signed the sheets objecting to the 2020 election results, saying under his breath, “The things we do for the orange Jesus.” A reference to his orange skin-tone and hair and how he is virtually worshiped as a god—as if everything he does is proper. He built this virtual world of deceit, using fear, hatred, lies, tweeter, and the power of his mind. Those who pretend he is a king are hailing in the Antichrist.*

**FAITH IS A WONDERFUL MYSTERY KEPT IN THE HEART!** (Story recap: *Redfield has been seeking Shambhala to learn their secret to peace. He mysteriously found it, escaping from the Chinese military through a cave. It is a wonderful technological society that uses a small unit to amplify their prayer-field—our telepathic or mental energy field, the light extending out of us that affects everything around us—enabling them to manifest material things. He is in the home of a woman named Ani.*

Ani asked me to go with her and her 14-year-old son Tashi to check on their neighbor Pema, who thinks she has conceived a child, saying, “This may be important for you to see.” I asked if she was a doctor. She said, “We no longer have doctors and the illnesses you do. We learned how to keep our energy field above that level. I help people monitor themselves, extend their field, and keep their energy up.” I asked, “Why do you think it’s important for me to see it?” “Because you happen to be here at this moment. You must understand the synchronistic process, or you couldn’t be here.” As she led us along a path, I heard a rushing sound and asked what it was. Ani said, “It’s a waterfall on the hill. Do you feel in your heart that you need to see it?” I asked, “Do you mean intuitively?” “Of course,” she said, “We live by intuition here.”

**“DEAR CHILDREN:** God permits me to be with you and to lead you on the way of peace, so that **through personal peace, you build peace in the world.** I am with you and **intercede** for you before my Son Jesus, that **He may give you a strong faith and hope in a better future, which I desire to build up with you.** You be courageous and do not be afraid because God is with you. Thank you for responding to my call” (Med. 8/25/22).

Ani told Tashi to go on ahead and we climbed up a rocky slope, where we could see the fall and a large pool. Through the mist of the fall, I could see two people walking toward each other, both surrounded by a soft, dense pinkish white light, especially around their shoulders and hips. I realized they were both naked and that I was watching the energy fields of a man and a woman. As they approached each other, their fields merged until they were embracing. Slowly, I saw a light forming in the midsection of the woman. She felt her womb. The tiny illumination grew brighter. Then they embraced again and disappeared. I realized they had made love. I was embarrassed. I asked, “Who were those people?” Ani said, “I didn’t recognize them, but it looked like they conceived a child.” I asked, “Do you think they intended to?” She laughed, “Of course, this isn’t the outer cultures. At these levels of energy and intuition, bringing a soul to Earth is a very deliberate process, done in the name of love.” I asked, “How did they just disappear?” “They got here by projecting themselves mentally through a travel field, using the amplification units that help us amplify our prayer-fields so that we can manifest material things with our minds. We discovered that the same electromagnetic field that sends out TV pictures can also be used to link two locations. We simply imagine a scene where we want to go and walk through a wormhole to the other site just by using our amplified thoughts.”

When we arrived at Pema’s, the women went into a room. Suddenly, in the middle of the living area a rippled distortion opened like a window. I saw a farm and then a man walked through the opening. Tashi introduced him as Pema’s husband Dorjee. He went into the room with the women. I asked Tashi what just happened. He said, “He came from his farm. We can visualize any place we want to go and the amplifier helps us create a window to it. **But it is our destiny to do it without the amplifiers, using only the power of our minds.**” The three came out. Pema said, “I was certain I was pregnant. I could see the tiny illumination and feel its energy, and then it vanished. It must be the transition.” Ani said, “I had conceived twins, but Tashi’s sister vanished. I intuit they are parallel pregnancy, the babies are born elsewhere.”

**SECRET I: IF YOU DO GOOD TO YOUR NEIGHBOR, EARTH'S WEATHER WILL GET BETTER!**

We left and went to a rock ledge that overlooked the massive inner Earth green valley. I asked, “What is the secret to your temperate environment?” She said, “**The weather is controlled by our collective prayer-fields.** Most humans have low, unloving fields, affecting the weather. We are a loving people, a model for man’s future. From our temples we mentally send this spiritual information out to outer Earth so they know the secret to better weather. Most humans cannot see us. But our legends say some enlightened humans, who can raise their energy level, will seek us, find us, and be able to see us as the transition grows nearer. They must intentionally set their field to uplift their neighbors and watch for the synchronistic process, and then they will be mysteriously led here. They must strengthen their field by connecting with divine energy, letting love flow in and through them; and remain anchored in faith, but detached from their personally desired outcome. Then our secret mysteries can be made known to the outer world.”
